This specialized work is needed to provide safety-rated operational equipment at our maintenance and process facilities. Each of the renewal options are subject to review and approval by City Council, and the appropriation and certification of funds by the City Auditor. Renewal No. 4 will extend the contract to May 4, 2019 and provide additional funding of \$100,000.00. All terms and conditions of the original agreement remain in full force and effect. If unforeseen issues or difficulties are encountered that would require additional funding, a modification would be required.
