BACKGROUND: Authorization is requested for the Director of the Department of Development to execute any and all agreements and deeds for conveyance of 879 E. Long Street (the Edna Building) to Tim Lai Architects for \$30,000. In 2015, the City's Land Bank Program issued a Request for Development Proposals for the redevelopment of the commercial building and selected their proposal to redevelop the building into a mix of office and first floor restaurant space. The proposal involves a comprehensive renovation of the structure with an estimated \$1,300,000 in investment. The applicant will use the second floor as their office, and will include a first floor café and additional office space for lease on the third floor.

FISCAL IMPACT: The City may first recover reimbursement of any and all expenses incurred on account of the acquisition, administration, management, maintenance and disposition of such land and such other expenses of the program as the City may apportion to such land from the sale proceeds.

EMERGENCY JUSTIFICATION: Emergency action is requested to expedite the transfer in order to reduce Land Bank maintenance costs.

To authorize the Director of the Department of Development to execute any and all necessary agreements and deeds for conveyance of title of one parcel of real property (879 E. Long Street) held in the Land Bank pursuant to the Land Reutilization Program and to declare an emergency.

WHEREAS, by Ordinance 1325-98, Council adopted and elected to use the Revised Code Chapter 5722, Land Reutilization Program, to facilitate effective reutilization of nonproductive land acquired through a sale pursuant to a foreclosure proceeding initiated by the Franklin County Treasurer, or through a sale of forfeited lands by the Franklin County Auditor, or through a conveyance in lieu of foreclosure to foster either return of such land to tax revenue generating status or its devotion to public use, or any other land acquired as part of the land reutilization program; and

WHEREAS, a proposal for the sale of the property which was acquired pursuant to Ohio Revised Code Sections 5722.03 or 5722.06 meets the Land Reutilization Program's Disposition Policies and Guiding Principles and has been approved by

the Land Redevelopment Office Administrator; and

WHEREAS, 879 E. Long Street was purchased by Columbus Urban Growth in 2003 and transferred to the City's Land Reutilization Program. The City replaced the roof and performed other structural work in 2007 to save the structure from demolition; and

WHEREAS, in order to complete the transfer of such property to the purchaser, authority is needed for the Director of the Department of Development to execute any and all necessary agreements and deeds of conveyance for the real property; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, Land Redevelopment Office in that it is immediately necessary to convey title of said parcel of real estate to expedite the transfer in order to reduce Land Bank maintenance costs, all for the immediate preservation of the public health, peace, property, safety and welfare; and **now therefore**,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
