BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with Advanced Engineering Consultants for engineering design services related to the installation of generators for the Public Safety Department. This contract is for design services and does not involve the acquisition and installation of the generators themselves.

The locations for the new generators include:

- Fire Station No. 11, 22 West Case Road
- Fire Station No. 17, West Broad Street
- Fire Station No. 28, 3240 McCutcheon Road
- Fire Station No. 29, 5151 Little Turtle Way
- Fire Station No. 32, 3675 Gender Road

The Department of Finance and Management, Office of Construction Management, solicited Requests for Statements of Qualifications (RFSQ) for engineering design services for installing generators for the Department of Public Safety at the locations noted above. The project was formally advertised on the Vendor Services website from February 16, 2018 through March 9, 2018. The city received responses as listed. All proposals were deemed responsive and were fully evaluated by the evaluation committee.
