Rezoning Application Z18-020

APPLICANT: Terry Traster; c/o Chris Vallette, Architect; 72 Mill Street; Gahanna, OH 43230.

PROPOSED USE: Commercial development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on May 10, 2018.

NORTH CENTRAL AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is currently in a neglected state with an unmaintained parking lot. The existing CPD, Commercial Planned Development District permits only a parking lot. The applicant proposes to construct a new building to house an industrial kitchen and garage for the storage of food trucks. The applicant initially requested the M, Manufacturing District, but has since amended the request to the C-3, Commercial district in response to community and staff concerns about establishing manufacturing zoning in close proximity to residential uses. A concurrent Council variance (Ordinance #1579-2018; CV18-012) is requested to permit the proposed industrial uses in accordance with a site plan while this proposed C-3 district which permits limited commercial uses will replace a CPD district that permits only a parking lot. The site is within the boundaries of the *North Central Plan* (2001), which recommends residential land uses at this location. Deviation from the Plan is warranted noting the existing commercial zoning of the property and the existing mixed uses in the immediate area.

To rezone **1700 OLD LEONARD AVENUE (43219)**, being 0.41± acres located at the northeast corner of Old Leonard Avenue and Parkwood Avenue, **From:** CPD, Commercial Planned Development District, **To:** C-3, Commercial District

(Rezoning # Z18-020).

WHEREAS, application # Z18-020 is on file with the Department of Building and Zoning Services requesting rezoning of 0.41± acres from CPD, Commercial Planned Development District, to the C-3, Commercial District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the North Central Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change with deviation from the *North Central Plan's* land use recommendation being supported given the existing zoning of the property, and the mix of uses to the south; and
