This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Gutknecht Construction for the renovation of the Indian Mound Community Center.

**Background:** The Recreation and Parks Design & Construction team and the Parks Operations and Maintenance teams worked with and met with the community. The community had been requesting an updated and larger facility; Indian Mound was deemed a facility that needed work. A Design Consultant was selected and through internal discussions and community meetings a design was done that met community needs as well as the Department needs.

The renovations for the Indian Mound Recreation Center will include a possible gym expansion, kitchen expansion, office expansion, additional classroom space and utility upgrades. Design improvements will include updating electrical service, lighting, windows, doors, floors, HVAC upgrades including air conditioning, painting and adding gas service to the facility.

Proposals were advertised through Vendor Services, in accordance with City Code Section 329, and received by the Recreation and Parks Department on May 3, 2018. Proposals were received from the following companies:

<u>Company</u>	<u>Status</u>	<u>Bid Amount</u>
RW Setterlin	MAJ	\$8,618,500.00
Gutknecht Construction	MAJ	\$7,686,500.00
Thomas & Marker	MAJ	\$8,351,500.00

After reviewing the proposals that were submitted, it was determined that Gutknecht Construction was the lowest and most responsive bidder.

**Area(s) Affected:** Far South Area Community. Planning Area 23.

**Master Plan Relation:** This project relates to the Master Plan by maintaining and updating existing facilities.

**Fiscal Impact:** After adding \$262,000.00 in alternates to the base bid of \$7,686,500.00, the costs for this project will be \$7,948,500.00 with a contingency of \$551,500.00 for a total of \$8,500,000.00. This amount is budgeted and available in the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of this contract.
