Council Variance Application: CV17-084

APPLICANT: Buckeye Real Estate; c/o Dave Perry, Agent; Dave Perry Company, Inc.; 411 East Town Street, First Floor; and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, Second Floor; Columbus, OH 43215.

PROPOSED USE: Mixed-use development.

UNIVERSITY AREA COMMISSION RECOMMENDATION: Approval.

UNIVERSITY IMPACT DISTRICT REVIEW BOARD RECOMMENDATION: Approval

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with two apartment buildings in the AR-O, Apartment Office District. The applicant is seeking to develop the High Street frontage of the site with a mixed-use building containing 2,900 square feet of ground level commercial uses and five apartment units above while retaining the two apartment buildings. A Council variance is necessary because the AR-O district only permits certain commercial uses. The site is within the Regional Commercial subarea of the University District Zoning Overlay, the

University Impact District, and is subject to review by the University Impact District Review Board (UIDRB). In addition to the use variance to permit commercial uses, the applicant requests variances to minimum number of parking spaces required, landscaping, lot coverage, and perimeter yard. The site is within the planning area of the *University District Plan* (2015), which recommends “Regional Mixed Uses” at this location. The proposed development is designed to integrate well with the surrounding High Street corridor. Staff supports this request as it is consistent with the Plan's land use recommendations and guidelines, and will not add incompatible uses to the corridor.

To grant a Variance from the provisions of Sections 3333.04, Permitted uses in AR-O apartment office district; 3312.49 Minimum numbers of parking spaces required; 3321.07(B), Landscaping; 3333.15(C), Basis of computing area; and 3333.255, Perimeter yard, of the Columbus City Codes; for the property located at **1444 NORTH HIGH STREET (43201)**, to permit a mixed-use building containing 2,900 square feet of ground level commercial uses and five apartment units on a lot developed with two apartment buildings with reduced development standards in the AR-O, Apartment Office District (Council Variance # CV17-084). **(REPEALED BY ORD. 1885-2021; PASSED 7/19/2021)**

WHEREAS, by application #CV17-084, the owner of the property at **1444 NORTH HIGH STREET (43201)**, is requesting a Variance to permit a mixed-use building containing 2,900 square feet of ground level commercial uses and five apartment units with reduced development standards in the AR-O, Apartment Office District; and

WHEREAS, Sections 3333.04, Permitted uses in AR-O apartment office district, only permits office and other specified commercial uses, while the applicant proposes 2,900 square feet of ground floor retail, office, and/or restaurant commercial uses; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 20 parking spaces for 2,900 square feet of restaurant space and 5 parking spaces for 5 apartment units with 2 bedrooms each, calculated with the formula contained in Section 3325.381, Parking and Circulation, of the University District Zoning Overlay, while the applicant proposes a total of 0 spaces; and

WHEREAS, Section 3321.07(B), Landscaping, requires one tree per ten residential units, a requirement of one tree for the five units, while the applicant proposes zero trees; and

WHEREAS, Section 3333.15(C), Basis of computing area, limits buildings from occupying more than 50 percent of the lot area, while the applicant proposes an increased maximum lot coverage of 71 percent for the mixed-use building and the existing apartment buildings; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 10 feet, while the applicant proposes a reduced perimeter yard of 0 feet along the north and south property lines for the new building, and 0, 5, and 2 feet for the north, south, and east perimeter yards, respectively, of the existing apartment buildings; and

WHEREAS, the University Area Commission recommends approval of said zoning change; and

WHEREAS, the University Impact District Review Board recommends approval of said zoning change; and

WHEREAS, City Departments recommend approval because the requested Council variance, is consistent with the *University District Plan's* land use recommendations and guidelines, will not add incompatible uses to the corridor, and is designed to integrate well with the surrounding High Street corridor; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed uses; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1444 NORTH HIGH STREET (43201)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
