BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a grant agreement with Jewish Family Services to support a demand-driven workforce development program. The total amount of the grant agreement is \$45,000.00.

The legislation targets social service programs that fall into one or more of the City's three priority areas including emergency and basic needs, employment and self-sufficiency, and social success for our residents and neighborhoods.

Jewish Family Services collaborated with the Columbus Chamber of Commerce to survey its small to mid-sized members regarding their talent needs, and found that 40% of these employers do not have a designated human resource department and an additional 5% outsource their human resource functions. Half (50%) of respondents stated that their highest need for assistance is in recruiting new employees, and one-fourth (25%) indicated that they need the most assistance with employee onboarding and retention. Funding for Jewish Family Services will focus on the critical talent needs of small to mid-sized Columbus employers and prepare job seekers to fill those needs.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

FISCAL IMPACT: Funding for these expenditures is allocated from the Emergency Human Services Fund (\$45,000.00).
