1. BACKGROUND

This legislation authorizes the Director of Public Service to modify a contribution agreement with the Franklin County Engineer's Office relative to the Bikeway Development - Trabue Road Shared Use Path project and to provide additional funding to subsidize that effort.

Located in the Far West Community Planning Area, the aforementioned project encompasses the rehabilitation of the Trabue Road Bridge over Buckeye Rail (Norfolk Southern Railroad) and the installation of a shared use path along the south side of the roadway from the private drive approximately 1500' east of Walcutt Road to Bolingbrook Drive.

Ordinance 0799-2017 authorized the Director of Public Service to execute a contribution agreement with the Franklin County Engineer's Office and to expend up to \$60,000.00 to fund eligible design costs. This legislation authorizes the Director of Public Service to modify that agreement and to expend up to \$110,000.00 to support associated design, utility relocation, and right-of-way acquisition costs.

2. FISCAL IMPACT

Funds in the amount of \$110,000.00 are available in the Streets and Highways Bond Fund within the Department of Public Service. An amendment to the 2018 Capital Improvement Budget is necessary to provide sufficient budget authority for the appropriate project.

3. EMERGENCY DESIGNATION

Emergency action is requested to allow for immediate execution of agreements with the Franklin County Engineer's Office so as to maintain the current project schedule and to prevent unnecessary delays in the payment of eligible design costs.

To amend the 2018 Capital Improvement Budget; to authorize the Director of Public Service to modify a contribution

agreement with the Franklin County Engineer's Office relative to the Bikeway Development - Trabue Road Shared Use Path project; to authorize the expenditure of up to \$110,000.00 from the Streets and Highways Bond Fund for this project; and to declare an emergency. (\$110,000.00)

WHEREAS, the Franklin County Engineer's Office is administering the Bikeway Development - Trabue Road Shared Use Path project, which encompassed the rehabilitation of the Trabue Road Bridge over Buckeye Rail (Norfolk Southern Railroad) and the installation of a shared use path along the south side of Trabue Road; and

WHEREAS, Ordinance 0799-2017 authorized the Director of Public Service to enter into agreements with the Franklin County Engineer's Office relative to the aforementioned project and to provide funding in the amount of up to \$60,000.00 to fund eligible design costs; and

WHEREAS, it is necessary to authorize the Director of Public Service to modify the existing contribution agreement to subsidize additional design, utility relocation, and right-of-way acquisition costs; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service in that it is immediately necessary to authorize the execution of the aforesaid modification with the Franklin County Engineer's Office and the encumbrance and expenditure of additional funding to support that project so as to prevent unnecessary delays in the completion thereof, thereby preserving the public health, peace, safety, and welfare; **now, therefore**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the 2018 Capital Improvement Budget authorized by Ordinance 1010-2018 be and is hereby amended to provide sufficient budget authority for the appropriate project authorized within this ordinance as follows:
