BACKGROUND: The Columbus Department of Development is proposing to enter into a dual-rate Jobs Growth Incentive Agreement with CoverMyMeds LLC (“CoverMyMeds”) in an amount equal to (i) thirty percent (30%) of the City of Columbus income tax withheld on the Columbus payroll of new employees and (ii) thirty-five percent (35%) of the City of Columbus income tax withheld on the Columbus payroll of new employees, who are also City of Columbus residents at the end of each calendar year, both for a term of up to eight (8) consecutive years.

CoverMyMeds LLC (“CoverMyMeds”), an operating company under McKesson Corporation, is a leader in electronic prior authorization (ePA) solutions, and one of the fastest growing health care technology companies in the U.S. CoverMyMeds’ software suite automates the medication prior authorization process for more than 500 electronic health records (EHR) systems, 49,000 pharmacies, 700,000 providers and most health plans and Pharmacy Benefit Managers (PBMs). By ensuring appropriate access to medications, the company helps its customers avoid billions of dollars each year in administrative waste and avoidable medical spending caused by prescription abandonment.

CoverMyMeds, in collaboration with a real estate development partner, intends to initially construct one (1) new approximately 200,000-square-foot Class A office building and ancillary amenities and may, at a later date, construct another one (1) approximately 200,000-square-foot Class A office building (total of approximately 400,000 square feet), one or more associated parking structures (hereinafter collectively referred to as the “Project”) to serve as a new headquarters campus for CoverMyMeds. This new headquarters campus will be developed in two phases with the first phase (“Phase 1”) including the construction of the first office building, the ancillary campus amenities, and surface parking. At a later date, a potential second phase (“Phase 2”) of the Project is projected to include the construction of the second office building and an estimated 1,150-space structured parking garage.

Subject to market conditions, Phase 1 is expected to be completed by the conclusion of calendar year 2021 with an anticipated investment of approximately \$100,000,000 and a potential Phase 2 may be completed by the conclusion of calendar year 2024, with an additional anticipated investment of approximately \$125,000,000. An additional \$15,000,000 is expected to be invested by CoverMyMeds to furnish the new campus. This new campus will be located along McKinley Ave. west of North Hartford Ave. on what is currently multiple parcels (collectively hereinafter the “Project Site”), which are located within the boundaries of the Columbus City School District and the West Franklinton neighborhood.

In total, this new headquarters campus Project is expected to support the retention and relocation of approximately 592 existing full-time permanent employment positions with an associated annual payroll of approximately \$43,162,000 from their current offices located at 2 Miranova Place, Columbus, Ohio 43215 and 41 South High Street, Columbus, Ohio 43215 to the Project Site. Additionally, CoverMyMeds expects to create approximately 1,032 net new full-time permanent employment positions with an associated annual payroll of approximately \$75,000,000 at the Project Site within the next five (5) years (by December 31, 2022).
