This ordinance is to authorize the Director of the Recreation and Parks Department to enter into a contract with E and S Services, LLC for construction of the Olentangy Trail-Henderson Road Ramp Improvement project on the city's north side.

**Background:** This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with E and S Services, LLC for construction of safety improvements to the Olentangy Trail - Henderson Road Ramp. The Olentangy Trail is the busiest trail in Ohio. Recent trail counts show that the trail had over 1,000,000 uses in 2014. Several segments of the trail receive over 1,000 users per day. The Henderson Road Bridge was widened in 2005 to accommodate a new trail deck. However, the steep turning radius ramp from the bridge to the underpass beneath was not improved. This original ramp does not meet Recreation and Parks design standards, or federal AASHTO Trail standards. Numerous trail collisions, some serious, have occurred on this ramp, and it is regarded as one of the most unsafe segments of the entire trail. This project will construct a new ramp configuration which reduces the steep grade, widens the turning radius, and significantly increases sight distance for walkers and cyclists.

There was no quorum during the July Recreation and Parks Commission Meeting. Per the present Commissioners this ordinance was requested to be sent thru the legislation approval process in order to avoid a delay with this project. There is August recess for Commission and Council.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on and received by the Recreation and Parks Department on June 26, 2018.

<u>Company</u>	<u>Status</u>	<u>Amount</u>
Columbus Asphalt Paving Inc.	(MAJ)	\$ 397,274.20
E and S Services, LLC	(MAJ)	\$ 397,274.20

After reviewing the proposals that were submitted, it was determined that E and S Services, LLC was the lowest and most responsive bidder. (NOTE: Columbus City Code Section 329.212 requires the contracting department to contact local bidders who are within 1% of the non-local bidder's bid to inform them that they may be awarded the contract if they agree to change their bid to meet the lowest bid price.)

E and S Services, LLC and all proposed subcontractors have met code requirements with respect to prequalification, pursuant to relevant sections of Columbus City Code Chapter 329.

**Fiscal Impact:** \$451,998.20 is budgeted and available in the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of this contract.

**Emergency Justification:** An emergency is being requested so that Recreation and Parks can begin construction within the 2018 construction season. The safety of the public on Columbus trails is the top priority of Recreation and Parks. The existing ramp does not standards for cyclists, and is a high accident location.

**Benefits to the Public:** Cycling, walking, running, and active trail uses provide highly recognized year-round benefits to urban lifestyles. Access to trails and to key destinations is one of the top rated priorities noted by residents.

**Community Input/Issues:** The department has received many complaints and incidence reports from this location for several years.

**Area(s) Affected:** All Columbus trail users, Clintonville community

**Master Plan Relation:** This project will support the mission of the Recreation and Parks Master Plan by improving access to trails and greenways corridors. Provide safe east/west connections for nearby neighborhoods to the regional trail network.
