**BACKGROUND:** The Council of the City of Columbus previously passed a resolution approving a petition for the addition or certain real property to the Columbus Regional Energy Special Improvement District (the “District”) and a supplemental plan for special energy improvement projects to be constructed upon such parcels once added to the District. Pursuant to that resolution, the real property has been added to the District. The supplemental plan previously approved by the Council provides that special assessments levied by the Council pursuant to Chapters 727 and 1710 of the Ohio Revised Code be used to pay the costs of “special energy improvement projects,” as that term is defined in Section 1710.01 of the Ohio Revised Code, to be constructed pursuant to the supplemental plan.

The Council, by resolution, has further determined the necessity of proceeding to levy special assessments for the purposes set forth in the supplemental plans. The Council, by ordinance, has further determined to proceed with the levying of the special assessments pursuant to Chapters 727 and 1710 of the Ohio Revised Code, and pursuant to the Charter of the City of Columbus.

This legislation is to levy such special assessments, all pursuant to Chapters 727 and 1710 of the Ohio Revised Code, and pursuant to the Charter of the City of Columbus. This legislation also authorizes and approves an Energy Project Cooperative Agreement and a Special Assessment Agreement facilitating the provision of the special energy improvement projects.

Emergency action is requested on this legislation to allow the special assessment process to proceed in a timely manner and allow financing for the special energy improvement projects to be obtained by the District.

**FISCAL IMPACT:** No funding is required for this legislation.

To levy special assessments for the purpose of acquiring, constructing, and improving certain public improvements located at 200 W. Norwich Avenue in the City in cooperation with the Columbus Regional Energy Special Improvement District; to approve an Energy Project Cooperative Agreement and a Special Assessment Agreement in connection with such improvements and special assessments; and to declare an emergency.

**WHEREAS**, 200 W Norwich LLC (the “Owner”) has submitted its *Petition for Special Assessments for Special Energy Improvement Projects and Affidavit* (the “Petition”) in order to provide for the completion of a special energy improvement project on real property owned by the Owner in the City of Columbus, Ohio (the “City”); and

**WHEREAS**, this Council (the “Council”) of the City duly passed a resolution on September 17, 2018 (the “Resolution of Necessity”), which approved the Petition and added the Owner’s property, subject to the Petition, to the Columbus Regional Energy Special Improvement District (the “District”) and declared the necessity of acquiring, installing, equipping, and improving energy efficiency improvements, including, without limitation, a high efficiency building envelope, a building automation system with high efficiency heating and cooling, high efficiency service hot water and spa heaters, LED lighting, and related improvements (the “Project”), as described in the Resolution of Necessity and as set forth in the Petition requesting those improvements; and

**WHEREAS**, this Council duly adopted an Ordinance on September 24, 2018 and determined to proceed with the Project and adopted the estimated maximum Special Assessments (as defined in the Resolution of Necessity) filed with the Director of the Department of Development or the Director of the Department of Development’s designee pursuant to the Resolution of Necessity; and

**WHEREAS**, the City intends to enter into an Energy Project Cooperative Agreement (the “Energy Project Cooperative Agreement”) with the District, the Owner, and Cuyahoga River Capital, LLC (the “Investor”) to provide for, among other things, (i) the making of the Project Advance (as defined in the Energy Project Cooperative Agreement) to pay costs of the Project, a form of which is attached to and incorporated into this Ordinance as **Exhibit A**, (ii) the disbursement of the Project Advance for the acquisition, installation, equipment, and improvement of the Project and the transfer of the Special Assessments by the City to the Investor to pay principal and interest and other costs relating to the Project Advance; and

**WHEREAS**, to provide for the security for the Project Advance and for the administration of payments on the Project Advance and related matters, the City intends to enter into the Special Assessment Agreement with the County Treasurer of Franklin County, Ohio, the District, the Owner, and the Investor, a form of which is attached to and incorporated into this Ordinance as **Exhibit B**; and

**WHEREAS**, the maximum costs of the Project have been ascertained and have been certified to the City in the Petition and the Supplemental Plan for the Project; and

**WHEREAS**, an emergency exists in the usual daily operation of the Department of Development in that it is necessary that this Ordinance take effect at the earliest possible date in order to allow the Owner to begin work on the special energy improvement project on the Property, and the District to take advantage of financing available to it for a limited time and for the immediate preservation of public peace, property, health and safety; **NOW, THEREFORE**,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**Section 1.** Each capitalized term not otherwise defined in this Ordinance or by reference to another document shall have the meaning assigned to it in the Resolution of Necessity.

other obligations so issued, including any credit enhancement fees, trustee fees, and District administrative fees and expenses, which costs were set forth in the Petition and previously reported to this Council and are now on file in the offices of the Director of the Department of Development (the “Development Director”) or the Development Director’s designee, is adopted and confirmed, and that the Special Assessments are levied and assessed on the Property. The interest portion of the Special Assessments, which shall accrue at the maximum annual rate of 7.950%, together with amounts used to pay administrative expenses, has been determined by the District to be substantially equivalent to the fair market rate that would have been borne by notes or bonds been issued by the District.

The Special Assessments are assessed against the Property commencing in tax year 2019 for collection in 2020 and shall continue through tax year 2038 for collection in 2039; provided, however, if the proceedings relating to the Special Assessments are completed at such time that the County Auditor of Franklin County, Ohio determines that collections shall not commence in 2020, then the collection schedule may be deferred by one year. The semi-annual installment of the Special Assessments shall be collected in each calendar year equal to a maximum semi-annual amount of Special Assessments as shown in **Exhibit C**, attached hereto and incorporated into this Ordinance, except as set forth below.

As set forth in the Supplemental Plan, the Director of the Development Director or the Development Director’s designee shall certify the Special Assessments to the County Auditor pursuant to the Petition and Section 727.33 of the Ohio Revised Code to be placed on the tax list and duplicate and collected with and in the same manner as real property taxes are collected and as set forth in the Petition; provided, that (i) the final rate of interest for the installments of the Special Assessments for collection in years 2020 through 2027 is determined to be 5.770%, thereby lowering the amount collected of each installment of the Special Assessments for collection in years 2020 to 2027 from \$230,840.20 to \$205,852.15, and (ii) the final rate of interest for the installments of the Special Assessments for collection in years 2028 through 2039 shall be determined in 2027 prior to the last date for municipal corporations to certify special assessments to the County Auditor to be collected in calendar year 2028, and in 2027 the City shall certify a schedule of collections for each installment of the Special Assessments for collection in calendar years 2028 to 2039.

The Special Assessments shall be allocated among the parcels constituting the Property as set forth in the Petition and the List of Special Assessments attached hereto as **Exhibit C** and incorporated herein.

**Section 3.** This Council finds and determines that the Special Assessments are in proportion to the special benefits received by the Property as set forth in the Petition and are not in excess of any applicable statutory limitation.

**Section 4.** The Owner has waived its right to pay the Special Assessments in cash, and all Special Assessments and installments of the Special Assessments shall be certified by the Development Director or the Development Director’s designee to the County Auditor of Franklin County, Ohio as provided by the Petition and Section 727.33 of the Ohio Revised Code to be placed by him or her on the tax list and duplicate and collected with and in the same manner as real property taxes are collected and as set forth in the Petition, the Supplemental Plan, and this Ordinance.
