CTL Engineering, Inc. will perform CA/CI services for the Division of Sewerage and Drainage that commence construction during the years 2017 through 2019. This agreement will be modified as needed throughout the 3 year period to include these projects as they go to construction. Projects are located throughout the City of Columbus.

1.4 How cost of modification was determined:

The cost of Mod #3 was determined by negotiations between CTL Engineering and DOSD.

2. **PROJECT TIMELINE:** Work will be completed within the timeframe established by the individual construction contracts.

4. **EMERGENCY DESIGNATION:** **Is requested** at this time. The justification is that this ordinance is the CA/CI project associated with the construction contract for this project which has been designated as emergency.
5. **ECONOMIC IMPACT:** Division of Sewerage and Drainage projects include rehabilitation and repairs to existing sewers, construction of new sewers, and construction of green infrastructure.
