This ordinance authorizes the Director of the Recreation and Parks Department to modify the contract with O.A. Spencer, Inc. for the King Arts Complex Improvements Design project.

Background: Previous projects have addressed minor HVAC concerns as they arose, however the King Arts Complex is in need of a complete HVAC piping overhaul as well as potential redistribution of existing units to better service entire building. Renovations to the lobby, auditorium, and kitchen are a secondary priority as budget allows.

The Phase I Assessment reviewed and investigated the existing conditions and provided thorough and accurate recommendations by O.A. Spencer. Now complete, O.A. Spencer has delivered a more conclusive scope of services for design and construction to provide the services the City is requesting.

As Phase I legislation stated, this Design Contract modification for Phase II allows for the design of the improvements and construction administration services.
