Council Variance Application: CV18-103

APPLICANT: Brothers Drake LTD; c/o Matthew Althouse, Agent; R E D Architects and Planning; 174 East Long Street; Columbus, OH 43215.

PROPOSED USE: Meadery and night club.

UNIVERSITY AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with a multi-tenant building containing a fitness facility and a meadery zoned in the C-3, Commercial District. The meadery use was approved by Ordinance #1741-2010 (CV10-037). The requested Council variance will retain the meadery use, and will permit the tasting room and adjacent gallery space within the meadery (approximately 1,155 square feet) to be used as a night club which hosts regularly-scheduled live entertainment. The request carries over previously-approved parking variances from CV10-037 and Board of Zoning Adjustment variances (BZA16-006 and BZA09310-00200), and proposes one parking space, a reduction of ten required spaces. A variance to reduce distance separation requirements for the meadery from residentially-zoned property is also included to permit continued production for off-site distribution. The site is within the planning area of the *University Area Plan* (2015), which recommends "Neighborhood Mixed Use" at this location. The site is also within the Neighborhood Commercial subarea of the University District Zoning Overlay. The request remains consistent with the land use recommendations of the *University Area Plan*, and includes a condition prohibiting outdoor amplification in order to mitigate potential conflicts with residential uses in the vicinity.

To grant a Variance from the provisions of Sections 3355.03, C-3 permitted uses; 3311.28(b), Requirements; and 3312.49 (C), Minimum numbers of parking spaces required, of the Columbus City Codes, for the property located at **26 EAST FIFTH AVENUE (43201)**, to permit a night club and a meadery with reduced parking in the C-3, Commercial District, and to repeal Ordinance #1741-2010, passed December 13, 2010 (Council Variance #CV18-0103).

WHEREAS, by application #CV18-103, the owner of property at **26 EAST FIFTH AVENUE (43201)**, is requesting a Council Variance to permit a meadery and a night club in the C-3, Commercial District; and

WHEREAS, Section 3355.03, C-3 permitted uses, does not permit a meadery including off-site distribution or a night club, while the applicant proposes to add a night club use to an existing meadery that also distributes product off-site; and

WHEREAS, Section 3311.28(b), Requirements, requires that more objectionable uses are to be conducted within the M or M-1, Manufacturing districts, and within not less than 600 feet from any residential districts, while the applicant proposes to maintain a meadery with off-site distribution in the C-3, Commercial District on a lot that is within 124± feet of residentially-zoned property; and

WHEREAS, Section 3312.49(C) Minimum numbers of parking spaces required, requires 1 parking space per 75 square feet of eating and drinking establishment space, 1 parking space per 250 square feet of retail space, and 1 parking space per 750 square feet of manufacturing space, and with the 50% reduction due to the subject site being located within the Neighborhood Commercial subarea of the University District Zoning Overlay, requires a total of 11 parking spaces, while the applicant proposes to maintain at least one parking space; and

WHEREAS, the University Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval of said ordinance because Staff considers the proposed uses consistent with the land use recommendations of the *University Area Plan*, and compatible with the development pattern in the area; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **26 EAST FIFTH AVENUE (43201)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
