Council Variance Application: CV18-092

APPLICANT: National Church Residences; c/o Matthew Bierlein, Agent; 2335 North Bank Drive; Columbus, OH 43220.

PROPOSED USE: Multi-unit residential development.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance #1025-2019; Z18-068) to the AR-2, Apartment Residential District. The applicant proposes the construction of an 88-unit senior housing apartment building. A variance to reduce the minimum number of parking spaces required from 132 to 77 spaces is included in the request. The parking reduction variance is supportable because the nature of the development reflects parking numbers that account for residents that will not have private vehicles. Additional variances for increased building height and reduced building lines and minimum side yards are included and are also supportable because they help position the building farther to the east away from adjacent single-unit dwellings, closer to East Livingston Avenue, allowing for parking to be located in the rear.

To grant a Variance from the provisions of Sections 3309.14, Height districts; 3312.49(C), Minimum numbers of parking spaces required; 3333.18, Building lines; and 3333.23(D), Minimum side yard permitted; of the Columbus City Codes; for the property located at **3341 EAST LIVINGSTON AVENUE (43227)**, to permit a multi-unit residential development with reduced development standards in the AR-2, Apartment Residential District (Council Variance #CV18-

092).

WHEREAS, by application #CV18-092, the owner of property at **3341 EAST LIVINGSTON AVENUE (43227)**, is requesting a Council variance to permit a multi-unit residential development with reduced development standards in the AR-2, Apartment Residential District; and

WHEREAS, Section 3309.14, Height districts, requires that within a 35 foot height district, no building or structure shall be erected to a height in excess of 35 feet, while the applicant proposes an apartment building with an approximate height of 42 feet; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 1.5 parking spaces per dwelling unit or 132 spaces for 88 apartment units, while the applicant proposes 0.875 parking spaces per dwelling unit or 77 total spaces; and

WHEREAS, Section 3333.18, Building lines, requires a building setback line of no less than 60 feet from East Livingston Avenue, while the applicant proposes a reduced building setback line of 25 feet along the frontage; and

WHEREAS, Section 3333.23(D), Minimum side yard permitted, requires the minimum side yard to be no less than one-sixth of the height of the building (7 feet), while the applicant proposes a reduced minimum side yard of 4 feet for the new apartment building along the east property line; and

WHEREAS, the City Departments recommend approval because senior housing apartment development is appropriate for the site and area. The requested variances are reflective of development for residents without private vehicles, and to position the building father to the east away from adjacent single-unit dwellings, closer to East Livingston Avenue, allowing for parking to be located in the rear; and

WHEREAS, this ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **3341 EAST LIVINGSTON AVENUE (43227)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
