1. BACKGROUND

This ordinance authorizes the Director of Public Service to enter into contract with Strawser Paving Company for the Resurfacing 2019 Project 1 project and to provide payment for construction inspection services.

This contract resurfaces 36 City streets and constructs 236 ADA curb ramps along those streets. The work includes milling the existing pavement, overlaying with new asphalt concrete, minor curb replacement, replacing curb and sidewalk associated with installing ADA wheelchair ramps, and full depth pavement replacement where warranted.

The estimated Notice to Proceed date is April 29, 2019. The project was let by the Office of Support Services through Vendor Services and Bid Express. Four bids were received on March 7, 2019, and tabulated as follows:
