This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Greenscapes Landscape Co., Inc. for the installation of 282 street trees in the UIRF districts of LAVA-C and South Side neighborhoods.

Background: The Department of Development has funding in place through the Urban Infrastructure Recovery Fund to replace street trees in eleven of the Neighborhood Commercial Revitalization (NCR) areas throughout the City of Columbus over the next five years. The new plantings in the LAVA-C and South Side neighborhoods will represent a diverse species of trees selected specifically for each planting location and takes into consideration the specific site restrictions that will help to maximize the Urban Tree Canopy and reduce storm water run-off. The trees were also specifically selected to not interfere with nearby utilities or structures. The community leaders requested to add new trees to their aging urban tree canopy and add more green to their neighborhood. This project will support the mission of the Recreation and Parks Master Plan by adding trees to the Columbus Urban Tree Canopy and replacing trees lost to the Emerald Ash Borer and other causes of tree mortality. Increasing the tree canopy will increase the health and wellness of Columbus citizens by reducing storm water run-off, reducing utility costs within the communities, and reducing air pollution.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on December 28, 2018 and received by the Recreation and Parks Department on January 15, 2019.

<u>Company</u>	<u>Status</u>	<u>Amount</u>
Greenscapes	(MAJ)	\$84,318.00
Custom Landscape	(MAJ)	\$85,784.40
Obersons Nursery and Landscapes	(MAJ)	\$150,424.00

After reviewing the proposals that were submitted, it was determine that Greenscapes Landscape Co. was the lowest and most responsive bidder.

Greenscapes Landscape Co. and all proposed subcontractors have met code requirements with respect to prequalification, pursuant to relevant sections of Columbus City Code Chapter 329.

Emergency Justification: An emergency is being requested as tree planting has specific periods of time when it is most beneficial to plant trees. Trees will need to be ordered, stumps removed and the trees planted before ideal planting conditions are lost to warmer summer temperatures.

Benefits to the Public: These plantings will increase the Urban Tree Canopy which reduces storm water run-off, reduces utility costs to nearby homes and businesses, and reduces air pollution.

Area(s) Affected: Planning Areas 62, 63

Master Plan Relation: This project supports the department's Master Plan by planting trees intended to both replace and add to the City of Columbus' urban tree canopy. It will be adding to the total overall canopy levels and is helping to replace trees lost due to the Emerald Ash Borer and other causes of tree mortality.

Fiscal Impact: The base cost of this project is \$84,318.00 with a contingency of \$5,000.00 for a total of \$89,318.00. \$89,318.00 is budgeted and available in the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of this contract.

To authorize the Director of Recreation and Parks to enter into contract with Greenscapes Landscape Co., Inc. for the installation of 282 street trees in the UIRF districts of LAVA-C and South Side neighborhoods; to amend the 2018 Capital Improvements Budget; to authorize the expenditure \$89,318.00 from the Recreation and Parks Voted Bond Fund; and to declare an emergency.
