BACKGROUND: This ordinance authorizes the Director of Public Safety to enter into a subscription contract with RQI Partners LLC in the amount of \$147,860.20 for the Division of Fire's Resuscitation Quality Improvement Program subscription. The Columbus Fire Division has a need to subscribe to RQI Partners LLC's Resuscitation Quality Improvement Program to manage the division's paramedic CPR certifications and associated training. This program will assist the Columbus Fire Division in managing the CPR certifications of personnel using American Heart Association (AHA) training/certification professionals and portable simulation stations of evaluation. This program provides immediate feedback to improve performance, communicates metrics via tracking software that measures success, and will reduce the division's reliance on costly in-classroom recertification that causes overtime for the backfilling of personnel.

This is the first year of a three year subscription ~ this ordinance authorizes the first year subscription plus implementation fee; charges for subsequent years are quoted at \$118,360.20/year.
