Council Variance Application: CV19-055

APPLICANT: National Church Residences; c/o Matthew Bierlein, Atty.; 2335 North Bank Drive; Columbus, OH 43220.

PROPOSED USE: Multi-unit residential development.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one undeveloped parcel in the C-4, Commercial District. The applicant is requesting a Council variance to permit the development of a predominantly multi-unit residential development with social service office uses included within the building. The site is within the boundaries of the *Northland I Area Plan* (2014), which recommends community commercial land uses at this location. This proposed development will be subject to a competitive funding process by the U.S. Department of Housing and Urban Development which requires certain land attributes including compliant zoning. Staff supports the Council variance process to assist in this state funding application process; however, this ordinance includes a condition that a Certificate of Zoning Clearance will not be issued until a follow-up rezoning to an appropriate zoning district has been completed.

To grant a Variance from the provisions of Section 3356.03, C-4 permitted uses, of the Columbus City Codes; for the property located at **999 E. DUBLIN-GRANVILLE RD. (43229)**, to permit ground floor residential uses in the C-4, Commercial District (Council Variance #CV19-055).

WHEREAS, by application #CV19-055, the owner of property at **999 E. DUBLIN-GRANVILLE RD. (43229)**, is

requesting a Council variance to permit ground floor residential uses in the C-4, Commercial District; and

WHEREAS, Section 3356.03, C-4 permitted uses, permits dwelling units only above certain commercial uses, while the applicant proposes ground floor residential uses at this location; and

WHEREAS, City Departments recommend approval because the requested variance will help facilitate state funding requirements. However, the Applicant will not be issued a Certificate of Zoning Clearance for the proposed development until a follow-up rezoning to an appropriate zoning district is completed; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **999 E. DUBLIN-GRANVILLE RD. (43229)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance from the provisions of Section 3356.03, C-4 permitted uses, of the Columbus City Codes, is hereby granted for the property located at **999 E. DUBLIN-GRANVILLE RD. (43229)**, insofar as said section prohibits ground floor residential uses in the C-4, Commercial District; said property being more particularly described as follows:
