BACKGROUND: This legislation authorizes the Director of Development to enter into contract with the Community Capital Development Corporation (CCDC) for loan servicing in an amount up to \$46,850; authorizes the contract to have a start date of March 1, 2019; and waives Chapter 329 of Columbus City Code.

CCDC has been a long time partner with the Department of Development in administering the city's Revolving Loan Fund program. The Revolving Loan Fund program provided micro and small businesses startup capital and other assistance to begin a new business or grow an existing business. Under this contract, CCDC will continue to service the remaining loans in its portfolio through the contract period.

The department is in the process of ending the program and it has taken the department more time than expected to determine who would service the remaining loans. After much deliberation, the department desires that CCDC continue servicing the loans they initiated. The prior contract expired on February 28, 2019, and CCDC has been servicing loans since that time, thus the request to have the contract start March 1, 2019. This contract is not a modification of the prior contracts because the scope of services of the prior contract include loan initiation, underwriting, and other services, while this contract is only loan servicing and there was a change in fee structure. Because of the complexity of changing loan servicers mid-stream and because the department will be posting an RFP for department-wide loan servicing services later in 2019 for a new contract in 2020, the department requests the approval to waive Chapter 329 of Columbus City Code and enter into a contract directly with CCDC. Depending upon the outcome of the upcoming RFP effort, the department may continue to have CCDC service the remaining loans and if so, will request Council approval to modify this loan servicing contract.

Emergency action is request in order to maintain uninterrupted services.

FISCAL IMPACT: Funding is available in the Division of Economic Development's general fund budget.

CONTRACT COMPLIANCE: CCDC's vendor number is 004605 and expires on 9/25/20.

To authorize the Director of Development to enter into contract with the Community Capital Development Corporation (CCDC) for loan servicing in an amount up to \$46,850.00; to ratify and authorize the contract to have a start date of March 1, 2019; to waive the competitive bidding provisions of Columbus City Code Chapter 329; to authorize the expenditure of up to \$46,850.00 from the general fund; and to declare an emergency. (\$46,850.00)

WHEREAS, Community Capital Development Corporation (CCDC) has been a long time partner with the Department of Development in administering the city's Revolving Loan Fund program; and

WHEREAS, the department is in the process of ending the program and it has taken the department more time than expected to determine who would service the remaining loans; and

WHEREAS the department desires that CCDC continue servicing the loans they initiated because it is impractical at this time to change loan servicers and as such, the department requests approval to waive Columbus City Code Chapter 329; and

WHEREAS, the prior contract expired on February 28, 2019, and CCDC has been servicing loans since that time; thus, the request to have the contract start March 1, 2019; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to authorize the expenditure of said funds in order to maintain uninterrupted services, in order to preserve the public peace, health, safety, and welfare; and **NOW, THEREFORE**,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
