1. BACKGROUND

This ordinance authorizes the Director of Public Service to enter into contract with Strawser Paving Company for the Resurfacing-Urban Paving FRA-23-18.53 PID 106080 project and to provide payment for construction, construction administration and inspection services.

This contract includes repairing and resurfacing North High Street from Morse Road to East Stanton Avenue, and Morse Road from Indianola Avenue to North High Street. It also constructs nineteen ADA curb ramps along those streets. The work consists of milling the existing pavement, overlaying with new asphalt concrete, minor curb replacement, replacing curb and sidewalk associated with installing ADA wheelchair ramps, full depth pavement repair where warranted, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

The estimated Notice to Proceed date is August 30, 2019. The project was let by the Office of Support Services through Vendor Services and Bid Express. Two bids were received on June 27 2019, and tabulated as follows:

Company Name	Bid Amount	City/State	Majority/MBE/FBE
Kokosing Construction Company	\$1,950,636.82	Columbus, OH	Majority
Strawser Paving Company	\$1,999,945.45	Columbus, OH	Majority

This project is funded in part by a grant from the Ohio Department of Transportation (ODOT). Bidders must comply with ODOT and City of Columbus bid requirements. The bid from Kokosing Construction Company was deemed non-responsive by ODOT because Kokosing did not submit their DBE plan to ODOT per the instructions in the bid documents. Award is to be made to Strawser Paving Company as the lowest responsive and responsible and best bidder

for their bid of \$1,999,945.45. The amount of construction administration and inspection services will be \$179,995.09. The total legislated amount is \$2,179,940.54.

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Strawser Paving Company.

2. CONTRACT COMPLIANCE INFORMATION

The contract compliance number for Strawser Paving Company is CC006114 and expires 1/18/21.

3. PRE-QUALIFICATION STATUS

Strawser Paving Company and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

4. FISCAL IMPACT

Grant #G591904 (Urban Paving Morse Road and High Street 106080), a reimbursable grant within the Federal Transportation Grant Fund, Fund 7765, will partially fund construction for this project in the amount of up to \$547,555.00 for eligible expenses.

The Department of Public Service will be responsible for any costs not covered by the ODOT grant and will contribute a local share amount of \$1,632,385.54 for construction, construction inspection, and construction administration costs. The Public Service funding for this project is budgeted within the 2019 Capital Improvements Budget. The funds will not be available to Public Service until the proceeds of the bond sale are available later this year. Therefore, it is necessary to certify the Public Service funds in the amount of \$1,632,385.54 against the Special Income Tax Fund.
