Rezoning Amendment: Z85-076A

Ordinance #1892-85, passed September 23, 1985 (Z85-076), rezoned 15.7± acres at 2677 Collinford Drive to the L-ARLD, Limited Apartment Residential District for an apartment complex. That rezoning established specific development standards addressing building height and setback, landscaping and screening, lighting, and graphics restrictions. The property is located on the north side of Hard Road, and this arterial was widened in 2014, which necessitated the acquisition of additional right-of-way. The right-of-way acquisition has compromised existing building and signage setbacks and required removal of fencing and landscaping thereby creating noncompliant conditions. Additionally, signage that had been previously installed on the property does not comply with the limitation text. This ordinance amends the limitation text established by Ordinance #1892-85 to remove the setback, landscaping and screening, and signage requirements allowing the applicant to pursue a concurrent Council variance (ORD #2280-2019; CV19-047) in order to acquire variances necessary to achieve zoning compliance. This ordinance also replaces the legal description as the acreage has been reduced to 15.23 acres due to the right-of-way acquisition. All other aspects of Ordinance #1892-85 remain in effect and are included in this amendment.

CITY DEPARTMENTS' RECOMMENDATION: Approval.
