BACKGROUND:

This legislation will authorize the Office of the City Auditor, Division of Income Tax, to enter into a contract for software maintenance and technical support renewal of the Division of Income Tax's eFile/ePay application and IT maintenance and technical support for the servers and infrastructure to host the eFile/ePay application provided by Lee & Mason Financial Services DBA Specialized Business Software, Inc. for Phase 1 and Phase 2 of the Division of Income Tax's Workflow eFile/ePay application. Specialized Business Software, Inc. custom designed, developed, and has an ongoing relationship to develop the Workflow eFile/ePay application for the Division of Income Tax and is the only vendor authorized to provide support to their product.

This contract will provide a year of support services at a cost of \$79,601.25. The software maintenance includes bug fixes, maintenance and technical support. The IT maintenance and technical support includes maintaining the 3rd party datacenter hosted eFile/ePay application, keeping the system software packages on the 3rd party datacenter computers and firewalls up and running and up-to-date.

The Division of Income Tax's Workflow eFile/ePay application was developed by Specialized Business Software, Inc. and provides taxpayers the ability to file tax returns with the Division of Income Tax electronically. The development of Phase 1 of the Workflow eFile/ePay application was authorized by ordinance 2490-2013, passed November 4, 2013. The Phase 1 Statement of Work provides for software maintenance and technical support of the custom eFile/ePay application on an annual contract basis at thirteen-thousand-five-hundred dollars (\$13,500.00), which is fifteen percent (15%) of the development cost. The Phase 1 Statement of Work also provides for IT maintenance and technical support of the custom eFile/ePay application on the 3rd party datacenter host on an annual contract basis at thirteen-thousand-five-hundred dollars (\$13,500.00), which is fifteen percent (15%) of the development cost. The software maintenance and technical support is separate and different from the IT maintenance and technical support. Also included in the maintenance agreement are the EasyTax OCR maintenance (\$2,146.50), EasyTax Software Maintenance (\$19,318.50) and eFile/EPay

phase 2 software maintenance (\$31,136.25).

This ordinance also requests approval to utilize services provided by Specialized Business Software, Inc. in accordance with sole source procurement provisions of Section 329 of the Columbus City Code as it has been determined that Specialized Business Software, Inc. is the sole provider of the Division of Income Tax's software product Workflow eFile/ePay, and does not utilize distributors or resellers to provide maintenance and support.

EMERGENCY:

Emergency action is requested to expedite authorization of this contract in order to facilitate and maintain uninterrupted support and services from the supplier.

FISCAL IMPACT:

Funds are available in the 2019 budget from the general fund in the amount of \$79,601.25.

CONTRACT COMPLIANCE:
