1. BACKGROUND:

To authorize the Director of Finance and Management to enter into a contract with The McLean Company for the purchase of one (1) asphalt smooth drum roller. This equipment will be used by the Division of Infrastructure Management to maintain city roadways and replaces an existing unit that is beyond its useful life.

The Purchasing Office advertised and solicited competitive bids in accordance with the relevant provisions of City Code Chapter 329 relating to competitive bidding (RFQ013155). The Purchasing office solicited registered vendors and three (3) bids were received. The McLean Company was the only vendor to submit a complete and correct bid meeting specifications. After reviewing the bids, the Division of Infrastructure recommends an award be made to The McLean Company in the amount of \$74,000.00 as the lowest, responsive, responsible and best bidder.
