Council Variance Application: CV19-081

APPLICANT: R.M. McFadyen Holdings Limited, c/o David Hodge, Atty.; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Fitness center.

ITALIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with a warehouse building containing a 9,500 square foot fitness center as permitted by Ordinance #2307-2017 (CV17-053) in the L-M, Manufacturing District. The requested Council variance will allow the existing fitness center to expand to occupy the entire 15,854 square foot building. The variance is necessary because the L-M district only permits office and less-objectionable manufacturing uses. Included in the request is a variance to reduce the required width of eight parking spaces to 8.5 feet from 9 feet. The site is located within the Short North Special Parking Area (SNSPA), but because a building permit to change the use of the space was filed prior to the SNSPA code change becoming effective, the parking variance permitted in CV17-053 will remain in effect. The site is within the boundaries of the *Italian Village East Redevelopment Plan* (2000), which recommends "Institutional" land uses at this location, and is also within the Italian Village Urban Commercial Overlay. Although the Plan recommends institutional land uses, Staff recognizes that East Fifth Avenue is a commercial corridor and the proposed use is appropriate. Additionally, the reduced parking space widths are supported as these reductions help achieve the minimum number of parking spaces required for the proposed expansion.

To grant a Variance from the provisions of Sections 3370.05, Permitted uses; and 3312.29, Parking space, of the Columbus City Codes; for the property located at **279 E. 5TH AVE. (43201)**, to permit a fitness center with reduced parking space size in the L-M, Limited Manufacturing District (Council Variance #CV19-081).

WHEREAS, by application #CV19-081, the owner of the property at **279 E. 5TH AVE. (43201)**, is requesting a Variance to permit a fitness center with reduced parking space size in the L-M, Limited Manufacturing District; and

WHEREAS, Section 3370.05 Permitted uses, allows one or more of the uses permitted by the underlying zoning district, which are limited to office and less-objectionable manufacturing uses of the M, Manufacturing District as approved by Ordinance #498-95 (Z94-097), while the applicant proposes a 15,854 square foot fitness center; and

WHEREAS, Section 3312.29, Parking space, requires that a parking space shall be a rectangular area of not less than 9 feet by 18 feet, while the applicant proposes to allow 8 parking spaces to be 8.5 feet wide, as shown on the submitted site plan; and

WHEREAS, the Italian Village Commission recommends approval; and

WHEREAS, City Departments recommend approval of the requested Council variance because staff recognizes that East Fifth Avenue is a commercial corridor, and the proposed use is an expansion of an appropriate use while meeting the minimum number of parking spaces required; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **279 E. 5TH AVE. (43201)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
