**Background:** This legislation authorizes the Director of Finance and Management to execute those documents necessary to amend the Agreement for Lease of Real Property for Agricultural Purposes, dated December 1, 2016, with Jeffrey L. Writsel to reduce the tillable acreage of the Leased Premises used for farming around the Southerly Wastewater Treatment Plant (SWWTP) and Compost Facility for the 2020 farming season. The Department of Public Utilities has planned a facility expansion of the SWWTP that will begin construction in 2020 thus necessitating the need to reduce the tillable acreage leased to Mr. Writsel by 18.8 acres. This reduction in size of the Leased Premises will result in a \$2,820.00 reduction in annual rental income.

**Fiscal Impact:** The City's annual lease income will be reduced by \$2,820.00.

**Emergency Action:** This legislation is presented as emergency in order to properly identify the fields and acreage and to allow for field preparation the 2020 farming season, which is to begin December 1, 2019.

**WHEREAS,** the Department of Finance and Management, through its Real Estate Management Office, leases to Jeffrey L. Writsel on behalf of the Department of Public Utilities, 295 tillable acres around the Southerly Wastewater Treatment Plant (SWWTP) and Compost Facility for farming purposes; and

**WHEREAS,** a Department of Public Utilities construction project at SWWTP Plant is scheduled to begin in 2020 that will require the use of 18.8 tillable acres presently leased to and farmed by Mr. Writsel thus necessitating that the current lease be amended to deduct approximately 18.8 tillable acres from the Leased Premises and to reflect the associated

reduction in annual rent; and

**WHEREAS**, it is necessary to amend the lease to reflect the reduction in the leased acreage from 295 tillable acres to 276.2 tillable acres and reduce the associated annual rent from \$44,250.00 to \$41,430.00, and

**WHEREAS**, an emergency exists in the usual daily operation of the Department of Finance and Management in that it is immediately necessary to authorize the Director to execute the First Amendment to Lease Agreement for Use of Real Property for Agricultural Purposes with Jeffrey L. Writsel, in order to properly identify the fields and acreage and to allow for field preparation the 2020 farming season, which is to begin December 1, 2019, for the preservation of the public health, peace, property, safety and welfare; now, therefore:
