Council Variance Application: CV19-113

APPLICANT: Homeport; c/o Laura MacGregor Comek, Atty.; 501 South High Street; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is comprised of a single parcel zoned in the R-1, Residential District, and is developed with a single-unit dwelling. The requested Council variance will allow the site to be redeveloped with a 56-unit apartment complex. A variance is necessary because the R-1 district does not permit multi-unit residential development. The site is within the planning area of the *Northland I Area Plan* (2014), which recommends "Medium-High Density Mixed Residential" uses for this location. This proposed development will be subject to a competitive funding process by the U.S. Department of Housing and Urban Development which requires certain land attributes including compliant zoning. Staff supports the Council variance process to assist in this state funding application process; however, this ordinance includes a condition that a Certificate of Zoning Clearance will not be issued until a follow-up rezoning to an appropriate zoning district has been completed. The Planning Division does not object to this limited Council variance request, but has requested the following from the applicant when the follow-up rezoning application is filed: that parking be placed behind the proposed dwelling units, that sidewalks are included, and that the applicant work with Columbus City Schools to explore the feasibility of a connection between the subject site and the adjacent school.

To grant a Variance from the provisions of Section 3332.03, R-1 residential district, of the Columbus City Codes; for the property located at **6285 MAPLE CANYON AVE. (43229)**, to permit multi-unit residential development in the R-1, Residential District (Council Variance #CV19-113).

WHEREAS, by application #CV19-113, the owner of property at **6285 MAPLE CANYON AVE. (43229)**, is requesting a Council variance to permit multi-unit residential development in the R-1, Residential District; and

WHEREAS, Section 3332.03, R-1 residential district, lists single-unit dwellings as the only permitted residential use, while the applicant proposes multi-unit residential development; and

WHEREAS, City Departments recommend approval because the requested variance will help facilitate state funding requirements. However, the Applicant will not be issued a Certificate of Zoning Clearance for the proposed development until a follow-up rezoning to an appropriate apartment residential zoning district is completed; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **6285 MAPLE CANYON AVE. (43229)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
