Background: This ordinance authorizes the City Auditor to establish an auditor certificate in the amount of \$140,000.00 for various expenditures for labor, material and equipment in conjunction with the existing Champions Golf Course Clubhouse Improvements Project. The clubhouse is currently under construction and will be opening in the spring of 2020. The new facility will have a 280 guest event space, an 80 guest eating area, commercial kitchen, pro shop and office space. \$100,000.00 will be allocated for furniture, fixtures, and equipment for the clubhouse. These expenditures may include, but are not limited to, items such as tables, chairs, televisions, and any other items necessary for the operation of the clubhouse. Contracts will be entered into in compliance with the procurement provisions of Columbus City Code Chapter 329. \$40,000.00 will be allocated for construction inspection through the City of Columbus Department of Public Service (DPS).

Emergency Justification: Emergency action is requested so that funding for outstanding construction inspection billing be made available for this project as soon as possible. It will also help ensure that all items necessary for the operation of the clubhouse are procured and ready for the opening of the facility.

Benefits to the Public: This project will provide a new facility at an existing City property to allow it to better serve current visitors and also encourage greater use by the community. Golfers benefit by having a facility to hold golf outings, socialize after playing, and better facilities. The public is also gaining a new rental facility on the east side of Columbus.

Community Input Issues: This project was partially initiated due to the request of visitors to the existing property for improved facilities. The features of the new facility will allow for a better user experience for both current and future visitors.

Area(s) Affected: All golfers and event attendees, from Central Ohio and beyond, who golf and/or attend events at

Champions Golf Course and its clubhouse will be affected by these improvements.

Champions Golf Course and its clubhouse are located in the Northeast Planning Area (41).

Master Plan Relation: This project will support the mission of the Recreation and Parks Master Plan by helping to ensure that golf courses and facilities remain accessible, safe, updated, user friendly, and well maintained. These improvements will also help ensure a strong customer base with successful on-going revenue producing operations.

Fiscal Impact: \$140,000.00 is budgeted and available from and within the Voted Recreation and Parks Bond Fund to meet the financial obligations of these various expenditures.
