Council Variance Application: CV19-080

APPLICANT: Woda Cooper Companies, Inc; c/o Dave Perry, Agent; David Perry Company, Inc.; 411 East Town Street, First Floor; Columbus, OH 43215, and Donald Plank, Atty.; 411 East Town Street, Second Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

FRANKLINTON AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of three parcels, two undeveloped and one developed with a commercial building, all zoned in the L-C-4, Commercial District. The requested Council variance will permit the construction of a 45-unit apartment building. A Council variance is necessary to permit residential uses on the first floor, where they are only allowed within the C-4 district when above certain commercial uses. Also included in the request are variances to height district, a parking space reduction from 68 spaces to 45, and building setback requirements. The site is within the planning area of the *West Franklinton Plan* (2014), which recommends "Neighborhood Mixed Use" at this location, which includes high-density residential development. Additionally, this site is subject to the *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018). This proposed development will be subject to a competitive funding process by the U.S. Department of Housing and Urban Development which requires certain land attributes including compliant zoning. Staff supports the Council variance process to assist in this state funding application process. Rezoning Application #Z20-002, a request for the AR-3, Apartment Residential District, has been filed and is in process

To grant a Variance from the provisions of Sections 3356.03, C-4 Permitted uses; 3309.14(A), Height districts; 3312.49 (C), Minimum numbers of parking spaces required; and 3356.11, C-4 district setback lines, of the Columbus City Codes, for the property located at **1040 W. BROAD ST. (43222)**, to permit a 45-unit apartment building with reduced development standards in the L-C-4, Limited Commercial District (Council Variance #CV19-080).

WHEREAS, by application #CV19-080, the owner of property at **1040 W. BROAD ST. (43222)**, is requesting a Council variance to permit multi-unit residential uses with reduced development standards in the L-C-4, Limited Commercial District; and

WHEREAS, Section 3356.03, C-4 Permitted uses, does not permit a 45-unit apartment building, while the applicant proposes a 45-unit apartment building; and

WHEREAS, Section 3309.14(A), Height districts, limits building height in a 35 foot height district to 35 feet, with height defined in Section 3303.36, Height, and subject to the provisions of Section 3309.142, Height district exceptions, while the applicant proposes a maximum building height of 46 feet; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 1.5 parking spaces per dwelling unit, or 68 spaces for 45 apartment units, while applicant proposes 45 spaces; and

WHEREAS, Section 3356.11, C-4 district setback lines, requires buildings to have a setback of 60 feet from West Broad Street, while the applicant proposes a setback of 3 feet for the proposed apartment building; and

WHEREAS, the Franklinton Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested variance will help facilitate state funding requirements and the proposed 45-unit apartment building is consistent with the land use recommendations of the *West Franklinton Plan*. The Applicant is required to complete Rezoning Application #Z20-002 as a condition of this ordinance; and

WHEREAS, this ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1040 W. BROAD ST. (43222)**, in using said property as desired; now, therefore:
