### Rezoning Application Z19-018

**APPLICANT:** Kelley Companies; c/o Dave Perry, Agent; David Perry Company, Inc.; 411 East Town Street, First Floor; Columbus, OH 43215, and Michael Kelley, Atty.; 250 East Broad Street, Suite 1100; Columbus, OH 43215.

**PROPOSED USE:** Commercial development.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (4-0-1) on August 8, 2019.

**UNIVERSITY AREA COMMISSION RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The 1.35± acre site consists of one parcel developed with a historic school building in the R-2F, Residential District. The applicant requests the CPD, Commercial Planned Development District, to repurpose the site for C-1 neighborhood scale commercial and limited C-3 community scale commercial uses, including office, fitness, retail, and eating and drinking establishment uses. The CPD text establishes use restrictions and supplemental development standards, includes commitments to a site plan and parkland dedication, and contains variances that both reflect current conditions on site, and will conform the proposed parking space numbers and configuration. While the *University District Plan (2015)* recommends institutional land uses at this location, the Plan does provide provisions for the redevelopment of former institutional sites in residential areas. Staff notes that the school building is a contributing structure of architectural significance to the neighborhood. The proposed CPD district includes the rehabilitation and reuse of a contributing building, establishes appropriate commercial uses, includes preservation of natural resources on the western side of the property, and will be developed in accordance with the submitted site plan.
