Council Variance Application: CV19-107

APPLICANT: Woda Cooper Companies, Inc.; c/o Dave Perry, Agent; David Perry Company, Inc.; 411 East Town Street, 1st Floor; Columbus, OH 43215; and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, 2nd Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

COLUMBUS SOUTH SIDE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with a vacant industrial building, but is otherwise primarily undeveloped and zoned in the M, Manufacturing and AR-1, Apartment Residential districts. The requested Council variance will permit a 46-unit apartment building. Variances to parking lot landscaping and screening, building lines, and height and area regulations are included in this request. The site is within the boundaries of the *South Side Plan* (2014), which recommends "Neighborhood Mixed Use" land uses at this location. Additionally, the Plan includes early adoption of the *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018). This proposed development will be subject to a competitive funding process with the Ohio Housing Finance Agency which requires certain land attributes including compliant zoning. Staff supports the Council variance process to assist in this state funding application process, as Rezoning Application #Z20-001, a request for the ARLD, Apartment Residential District, and concurrent Council variance Application #CV20-002, have been filed and are in process.

To grant a Variance from the provisions of Sections 3363.01, M-manufacturing districts; 3312.21(D)(1), Landscaping and screening; 3363.24(C)(D), Building lines in an M-manufacturing district; and 3363.27(b)(1), Height and area regulations, of the Columbus City Codes; for the property located at **33 W. MORRILL AVE. (43207)**, to permit a 46-unit apartment building with reduced development standards in the M, Manufacturing and AR-1, Apartment Residential Districts (Council Variance #CV19-107).

WHEREAS, by application #CV19-107, the owner of the property at **33 W. MORRILL AVE. (43207)**, is requesting a Council variance to permit a 46-unit apartment building with reduced development standards in the M, Manufacturing and AR-1, Apartment Residential Districts; and

WHEREAS, Section 3363.01, M-manufacturing districts, prohibits multi-unit residential development, while the applicant proposes an apartment building containing a maximum of 46 units; and

WHEREAS, Section 3312.21(D)(1), Landscaping and screening, requires parking lot screening from residentially zoned property be 5 feet in height, while the applicant proposes parking lot screening that is 3 feet in height on the north end of the property, as shown on the site plan; and

WHEREAS, Section 3363.24(C)(D), Building lines in an M-manufacturing district, requires a building setback of 5 feet from West Morrill Avenue and 25 feet from West Hinman Avenue, while the applicant proposes to a 3 foot setback along West Morrill Avenue and 10 foot setback along West Hinman Avenue; and

WHEREAS, Section 3363.27(b)(1), Height and area regulations, requires the building line to be 25 feet from public streets and residentially-zoned property, while the applicant proposes a building line of 3 feet setback along West Morrill Avenue and 10 feet setback along West Hinman Avenue; and

WHEREAS, the Columbus South Side Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested variance will help facilitate state funding requirements. The Applicant is required to complete Rezoning Application #Z20-001 as a condition of this ordinance; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **33 W. MORRILL AVE. (43207)**, in using said property as desired; and
