This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Greenscapes Landscape Company for the installation of 625 street trees throughout the City of Columbus.

Background: This project will be installing trees in Planning Areas all over the City through the Mayor's Green Initiative to help replace tree species that have been removed throughout the City due to tree mortality. The new tree plantings will represent a diverse species of trees selected specifically for each planting location. It takes into consideration the specific site restrictions that each location has in an effort to replace some of our lost Urban Tree Canopy and reduce storm water run-off in the area while not interfering with nearby utilities or structures.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on October 21, 2019 and received by the Recreation and Parks Department on November 5, 2019. Bids were received from the following vendors:

<u>Company</u>	<u>Status</u>	<u>Amount</u>
Greenscapes Landscape	(MAJ)	\$ 181,250.00

After reviewing the proposals that were submitted, it was determine that Greenscapes Landscape was the lowest and most responsive bidder.

Greenscapes Landscape and all proposed subcontractors have met code requirements with respect to prequalification, pursuant to relevant sections of Columbus City Code Chapter 329.

Emergency Justification: An emergency is being requested due to tree planting having specific periods of time when it is most beneficial to plant trees. This will allow for a sufficient period of time to schedule the work, order the trees, perform stump removal and plant the trees before ideal planting conditions are lost to warmer summer temperatures

Benefits to the Public: These plantings will increase the Urban Tree Canopy which reduces storm water runoff, reduces utility costs to nearby homes and businesses, and reduces air pollution.

Area(s) Affected: All Areas (30-70)

Master Plan Relation: This project supports the departments Master Plan by planting trees intended to both replace and add to the City of Columbus' urban tree canopy. It will be adding to the total overall canopy levels and is helping to replace trees lost due to the Emerald Ash Borer and other causes of tree mortality.

Fiscal Impact: \$200,250.00 is budgeted and available from within the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of this contract.
