1. BACKGROUND

The following legislation authorizes the City Attorney's Office, Real Estate Division, to hire professional services and to negotiate with property owners to acquire the various property rights necessary to complete the Operation Sidewalks - School Sidewalks program.

The Department of Public Service is engaged in projects to construct sidewalks under the Operation Sidewalks - School Sidewalks program. This program constructs sidewalks in various locations throughout the City to improve safety for those that walk to and from school. Work includes the installation of sidewalks, curb ramps, drive approaches, curb, and retaining walls, and may include stormwater drainage improvements in select areas.

This legislation will establish funding to acquire the right-of-way for all of the Operation Sidewalks - School Sidewalks projects as needs become identified. If the cost to acquire the needed right-of-way should exceed this initial estimated amount of \$250,000.00, additional legislation will be submitted to Council requesting the needed funding.
