### 1. BACKGROUND

This legislation authorizes additional funding in the amount of \$200,000.00 for the Urban Infrastructure Recovery Fund (UIRF) right-of-way acquisition contingency fund and authorizes the City Attorney to expend said funds to acquire small parcels of additional right-of-way for miscellaneous UIRF projects and for other UIRF right-of-way expenses.

This project is funded by the Urban Infrastructure Recovery Fund (UIRF). UIRF projects are developed as the result of a partnership between City staff in multiple departments and community stakeholders in central city urban areas. Past UIRF projects have included streetscape enhancements and roadway improvements. Occasionally these UIRF projects require the Division of Design and Construction to acquire additional permanent and temporary right-of-way for installation of streetlights, street trees, sidewalks and Americans with Disabilities Act (ADA) compliant curb ramps.

The Department of Development and the Department of Public Service desire to add additional funding in the amount of \$200,000.00 for the UIRF right-of-way acquisition contingency fund. This money will be used by the City Attorney's Office, Real Estate Division, to acquire small parcels of additional right-of-way for miscellaneous UIRF projects and to pay for other UIRF right-of-way expenses when requested to do so by the Department of Public Service.

### 2. FISCAL IMPACT

Funding is available within Fund 7704, the Streets and Highways Bond Fund, Project P440005-100000 (UIRF - Urban Infrastructure Recovery Fund (59-12)). An amendment to the 2019 Capital Improvement Budget is required to establish sufficient budget authority for the expenditure in the proper project.

### 3. EMERGENCY DESIGNATION

Funding needs to be established to allow acquisition of small parcels of additional right-of-way and right-of-way related expenses to prevent construction delays.

To amend the 2019 Capital Improvement Budget; to authorize the establishment of a right-of-way acquisition

contingency fund to be used for Urban Infrastructure Recovery Fund projects; to authorize the City Attorney's Office to expend up to \$200,000.00 from the Streets and Highways Bonds Fund for these miscellaneous acquisitions; and to declare an emergency. (\$200,000.00)
