1. BACKGROUND

(the “Developer”), pursuant to Section 186 of the Columbus City Charter, relative to the construction of the Arterial Street Rehabilitation - Morse Road (Seward Street to Stygler Road) project (the “Project”).

The City and the Developer are engaged in a Public-Private Partnership (3P) to construct certain public infrastructure improvements that benefit the Easton area and executed a Tax Increment Financing Agreement (“TIF Agreement”) to advance that effort. The City will construct the Project and pay for a portion of the improvements with an upfront contribution from the Developer in an amount currently estimated to be \$4,033,192.61. The final amount of said contribution may increase based on the outcome of the competitive bidding process. Pursuant to the existing TIF Agreement, the Developer is eligible to receive reimbursement from the Easton TIF for a portion of its upfront contribution to the Project.
