Council Variance Application: CV19-130

APPLICANT: Juliet Bullock, Architect; 1182 Wyandotte Road; Columbus, OH 43212.

PROPOSED USE: Single-unit and two-unit dwelling development.

VICTORIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is comprised of three parcels: two parcels that are developed with a single-unit dwelling which straddles the parcel line and a detached garage, and one parcel that is developed with a single-unit dwelling and carriage house subject to Ordinance #2005-2014 (CV14-035), all zoned in the ARLD, Apartment Residential District. The applicant is requesting a Council variance to reconfigure the three parcels to construct an addition to convert the existing single-unit dwelling into a two-unit dwelling with the existing detached garage on Lot A (966 Hunter Avenue); create a buildable center parcel for a new single-unit dwelling and detached garage on Lot B (962 Hunter Avenue); and to construct an addition to convert the existing single-unit dwelling into a two-unit dwelling with the existing carriage house on Lot C (960 Hunter Avenue). The request includes variances to lot width, area district requirements, side yard, and side yard obstruction; and variances for fronting and rear yard will be carried over from #2005-2014. The variance is required because these lots do not meet the exception (Section 3333.055) for single-unit or two-unit dwellings in the ARLD district, and also because the ARLD district does not allow two dwellings on the same lot. Staff supports the proposal because the request will not add incompatible uses to the area, and it is consistent with the recent development pattern in historic urban neighborhoods.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, Apartment residential district use; Section 3333.09, Area Requirements; Section 3333.11, ARLD area district requirements; Section 3333.16, Fronting; 3333.22, Maximum side yard required; 3333.23, Minimum side yard permitted; 3333.24, Rear yard; and 3333.25, Side or rear yard obstruction, of the Columbus City Codes, for the property located at **960-966 HUNTER AVE. (43201)**, to permit single-unit and two-unit dwellings with reduced development standards in the ARLD, Apartment Residential District, and to repeal Ordinance #2005-2014, passed September 22, 2014 (Council Variance #CV19-130).

WHEREAS, by application #CV19-130, the owner of properties at **960-966 HUNTER AVE. (43201)**, is requesting a Variance to permit single-unit and two-unit dwellings with reduced development standards in the ARLD, Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1, Apartment residential district use, does not permit single-unit or two-unit dwellings on parcels that do not meet the platting exception criteria contained in Section 3333.055, and does not permit two separate dwellings on one lot, while the applicant proposes to reconfigure the existing three parcels and convert the existing single-unit dwelling on Lot A into a two-unit dwelling; construct a new single-unit dwelling and detached garage on the reconfigured center parcel Lot B; and convert the existing single-unit dwelling into a two-unit dwelling with an existing carriage house on Lot C; and

WHEREAS, Section 3333.09, Area Requirements, requires that no building shall be erected or altered on a lot with a width of less than 50 feet, while the applicant proposes a lot width of 49.22 feet for Lot A, 21.11 feet for Lot B, and 38.66 feet for Lot C; and

WHEREAS, Section 3333.11, ARLD area district requirements, requires 2,500 square feet in area per dwelling unit on interior lots, while the applicant proposes 2,152.6 square feet per dwelling unit on Lot A, and 1,579 square feet per dwelling unit on Lot C; and

WHEREAS, Section 3333.16, Fronting, requires each dwelling unit to have frontage on a public street, while the applicant proposes to maintain a carriage house fronting on a rear public alley on Lot C; and

WHEREAS, Section 3333.22, Maximum side yard required, requires that the sum of the widths of each side yard shall equal or exceed 20% of the width of the lot, while the applicant proposes a maximum side yard of 8.33± feet where 9.84 feet is required for Lot A; and

WHEREAS, Section 3333.23, Minimum side yard permitted, requires a side yard of no less than 5 feet, while the applicant proposes side yards of 3.33 feet along the north property line for the existing dwelling on Lot A; 3 feet along the north and south property lines for the proposed dwelling on Lot B; and 4.52 feet along the north property line and 3.33 feet along the south property line on Lot C;

WHEREAS, Section 3333.24, Rear yard, requires a rear yard totaling no less than 25% of the total lot area, while the applicant proposes no rear yard for the carriage house on Lot C; and

WHEREAS, Section 3333.25, Side or rear yard obstruction, requires side and rear yards to be open to the sky, while the applicant proposes a parking pad in the south side yard of the existing garage on Lot A; and

WHEREAS, the Victorian Village Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested variances would permit development in character with the surrounding neighborhood. Staff finds that the proposal will not add incompatible uses to the area as the request is consistent with recent residential infill development proposals in historic urban neighborhoods; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **960-966 HUNTER AVE. (43201)**, in using said property as desired and; now, therefore:
