This ordinance authorizes the Director of Public Service to enter into contract with Strawser Paving Company for the Resurfacing - 2020 Project 1 project and to provide payment for construction, construction administration and inspection services.

This contract includes repairing and resurfacing 102 streets and constructing 486 Americans with Disabilities Act (ADA) curb ramps along those streets. The estimated Notice to Proceed date is April 10, 2020. The project was let by the Office of Support Services through Vendor Services and Bid Express. Four bids were received on February 20, 2020, and tabulated as follows:

<u>Company Name</u>	<u>Bid Amount</u>	<u>City/State</u>	<u>Majority/MBE/FBE</u>

2. CONTRACT COMPLIANCE INFORMATION

The contract compliance number for Strawser Paving Company is CC0006114 and expires 1/18/21.

3. PRE-QUALIFICATION STATUS

Strawser Paving Company and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

4. FISCAL IMPACT

The primary work to be accomplished for this contract is Resurfacing work. Some Roadway Improvement and Bikeway Development work are included in the work for this contract. Budget authority for the Roadway Improvements work (P530161-100179) in the amount of \$18,806.08 and the Bikeway Development work (P540002-100083) in the amount of \$93,439.21 exists within the 2019 Capital Improvements Budget and the required cash is available. Cash, appropriation, and budget authority will be transferred from these two projects to Resurfacing - 2020 Project 1 (P530282-912020) to establish sufficient funding for the Bikeway and Roadway Improvements portion of this contract.

The remainder of the funding for this project will come from Resurfacing. Budget authority and cash for the Resurfacing work (P530282-100051) is expected to be in the 2020 Capital Improvement Budget. The funds will not be available to Public Service until the proceeds of the 2020 bond sale are available later this calendar year. Therefore, it is necessary to certify the requisite funds in the amount of \$13,459,453.13 against the Special Income Tax Fund. An amendment to the 2019 Capital Improvement Budget is required to establish sufficient budget authority for this project. Funds will need to be appropriated within the Special Income Tax fund, then transferred to the Streets and Highways Bond Fund where they will also need to be appropriated.
