1.0 BACKGROUND:

This legislation authorizes the Director of Public Utilities to execute a planned modification to the 2020 - 2022 Construction Administration and Construction Inspection (CA/CI) Services agreement with Evans, Mechwart, Hambleton, and Tilton Inc. ("EMH&T").

Funding for this modification will be for two Division of Water projects:

Dana G. Rinehart Utilities Complex Office Renovations, CIP 690026-100019, CT No. 2281, in the amount of \$290,200
CA-CI - General Construction, CIP 690549-100011, in the amount of \$50,000

1.1. Amount of additional funds to be expended: \$340,200.00

Original Agreement Amount:	\$449,697.77	(PO's not established yet)
Modification 1 (current)	<u>\$340,200.00</u>	
Total (Orig. + Mod. 1)	\$789,897.77	

1.2. Reasons additional goods/services could not be foreseen:

This is a three-year agreement for fiscal years 2020 - 2022 and modifications were anticipated and explained in the original legislation under Ordinance No. 0360-2020.

1.3. Reason other procurement processes are not used:

This is a multiyear contract that will be modified as required to provide construction administration/inspection services for construction projects that bid during the three year (2020-2022) timeframe.

1.4. How cost of modification was determined:

The cost of Modification No. 1 was determined by negotiations between EMH&T and the Division of Water.

2.0 ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT:

The Dana G. Rinehart Public Utilities Complex Office Renovations Project (690026-100019) was designed following the results of the Utilities Complex Space Needs Study. This will allow for more efficient workflow and staff placement to better utilize the existing building infrastructure. The project will include installation of energy efficient LED lighting. The completion of this project will allow for demolition of an older storage building to make room for construction of a new truck washout facility and materials storage building that will bring these operations into compliance with Stormwater regulations. Since the work on the project will be performed to buildings housing DOW staff and not utilized by the public, no community meetings were held regarding this project.

3.0 FUTURE MODIFICATION(S): The Department anticipates requesting additional future modifications to this contract as new construction projects begin during 2020, 2021, and 2022.

4.0 CONTRACT COMPLIANCE INFO: 31-0685594 | Exp. 12/17/21 | MAJ | DAX #4939

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against EMH&T, Inc.
