### 1.0 BACKGROUND:

This legislation authorizes the Director of Public Utilities to execute a planned modification to the 2020 - 2022 Construction Administration and Construction Inspection (CA/CI) Services agreement with Stantec Consulting Services, Inc.

Funding for this modification will be for the Alum Creek Trunk (Middle) Rehabilitation Phase B Project, CIP# 650725-100015.

#### 1.1. Amount of additional funds to be expended: \$395,138.19

Original Agreement Amount: \$198,538.62 (PO not established yet)

Modification 1 (pending): \$395,138.19 (PO not established yet)

Modification 2 (current): \$248,287.56

Total (Orig. + Mod. 1 & 2) \$841,964.12

#### 1.2. Reasons additional goods/services could not be foreseen:

This is a three-year agreement for fiscal years 2020 - 2022 and modifications were anticipated and explained in the original legislation under Ordinance No. 0130-2020.

#### 1.3. Reason other procurement processes are not used:

This is a multiyear contract that will be modified as required to provide construction administration/inspection services for construction projects that bid during the three year (2020-2022) timeframe.

#### 1.4. How cost of modification was determined:

The cost of Modification No. 2 was determined by negotiations between Stantec and the Divisions of Sewerage and Drainage.

**2.0 ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT:**

Division of Sewerage and Drainage projects include rehabilitation of existing sewers, repair to existing sewers, construction of new sewers, and construction of green infrastructure. The majority of the projects will reduce inflow and infiltration to the City's sanitary sewer system thus mitigating sanitary sewer overflows to basements and waterways. Other projects provide improvement to existing storm infrastructure to mitigate drainage/flooding issues.

**3.0 FUTURE MODIFICATION(S):** The Department anticipates requesting additional future modifications to this contract as new construction projects begin during 2020, 2021, and 2022.

**4.0 EMERGENCY DESIGNATION:** This Ordinance is being requested as an **Emergency** ordinance in order to meet project timelines and deliverables.

**5.0 CONTRACT COMPLIANCE INFO:** 11-2167170 | Exp. 8/1/21 | MAJ | DAX #462

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against Stantec Consulting Services.

**6.0 FISCAL IMPACT:** There is sufficient funding within the project for this expenditure. However, an amendment to the 2019 Capital Improvements Budget is necessary to align the authority.
