..Explanation

BACKGROUND: By authority of ORC Section 5709.82, the City is required to pay affected school districts 50 percent (50%) of the municipal income tax revenue attributable to tax abated projects where the annual 'new employee' payroll for a project is one million dollars or more, in a given tax year, during the abatement. This municipal income tax revenue sharing with affected school districts applies to all property tax abatements approved by the legislative authority after July 1, 1994 and is based on the 'new employee' wages paid in a tax year, during the years of tax exemption, and also on the wages of the construction workers.

FISCAL IMPACT: For tax year 2019, the City of Columbus has a total of twenty-eight (28) projects requiring revenue sharing and the total amount of revenue to be shared is \$1,486,971.20. The twenty-eight (28) projects are located in seven (7) different school districts with the revenue share subtotals as follows: \$889,842.63 to the Columbus City School District for eighteen (18) projects, \$15,937.98 to the Gahanna Jefferson City School District for one (1) project, \$25,120.93 to the Groveport Madison Local School District for one (1) project, \$172,521.22 to the Hilliard City School District for four (4) projects, \$277,102.78 to the Olentangy Local School District for two (2) projects, \$83,238.35 to the South-Western City School District for one (1) project and \$23,207.31 to the Worthington City School District for one (1) project.

Emergency action is requested in order to expedite payment to the seven (7) school districts to compensate them for property tax revenues forgone due to tax abatements.

FISCAL IMPACT: The 2020 General Fund budget (citywide account) includes funding for these payments. A transfer

equal to 25 percent (25%) of the payment will be transferred from the Special Income Tax Fund. The transfer amount of \$371,742.80 has been factored into the current special income tax analysis and resultant capital capacity.

To authorize and direct the City Auditor to transfer \$1,486,971.20 within the General Fund; to authorize and direct the City Auditor to appropriate and transfer \$371,742.80 in cash from the Special Income Tax Fund to the General Fund; to authorize and direct the payment of \$889,842.63 to the Columbus City School District, \$15,937.98 to the Gahanna Jefferson City School District, \$25,120.93 to the Groveport Madison Local School District, \$172,521.22 to the Hilliard City School District, \$277,102.78 to the Olentangy Local School District, \$83,238.35 to the South-Western City School District and \$23,207.31 to the Worthington City School District for income tax revenue sharing totaling \$1,486,971.20; to authorize the expenditure of \$1,486,971.20 from the General Fund; and to declare an emergency.

WHEREAS, the Ohio Revised Code Section 5709.82 requires the City to pay affected school districts fifty percent (50%) of municipal income tax revenue attributable to tax abated projects where 'new employee' payroll for a project is one million dollars or more in a tax year, during the years of tax exemption; and
