BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with General Temperature Control for a new mechanical chillers and evaporative condensers at City Hall located at 90 West Broad Street and Central Safety Building located at 120 Marconi Boulevard.

This project will include providing four new mechanical chillers and two new evaporative condensers that serve comfort cooling to City Hall and the Central Safety Buildings. The project will also include new pumps, variable frequency drives, all associated components, and labor. These upgrades are necessary as the chiller systems are past their useful life and it has become necessary to replace them. The new units will also reduce energy consumption.

Formal bids were solicited and the City received two (2) bids (0 F1, 0 MBE) on April 2, 2020 as follows:

<u>Company</u>	<u>City</u>	<u>AS1/FBE/MBE</u>	<u>Bid Amount</u>
General Temperature Control	Canal Winchester	EBOCC	\$2,633,000.00
Faber Corporation	Columbus	EBOCC	\$3,175,000.00

The Office of Construction Management recommends the bid and award be made to the lowest, responsive, and responsible bidder, General Temperature Control.

General Temperature Control Contract Compliance No. 31-1201236, expiration date November 29, 2020.

Emergency action is requested so that necessary HVAC renovations at City Hall and the Central Safety Building can begin as soon as practical due to the long lead time for this equipment.

Fiscal Impact: This legislation authorizes an expenditure of \$2,633,000.00 from the Construction Management Capital Improvement Fund with General Temperature Control for the replacement of mechanical chillers and condensers at the City Hall located at 90 West Broad Street and Central Safety Building located at 120 Marconi Boulevard.

To amend the 2019 Capital Improvement Budget, to authorize the Director of Finance and Management to enter into a contract on behalf of the Office of Construction Management with General Temperature Control for the replacement of mechanical chillers and condensers; to authorize the transfer of \$2,633,000.00 between projects within the Construction Management Capital Improvement Fund; to authorize the expenditure of \$2,633,000.00 from the Construction Management Capital Improvement Fund; and to declare an emergency. (\$2,633,000.00)

WHEREAS, it is necessary to amend the 2019 Capital Improvement Budget and to authorize transfers between projects within the Construction Management Capital Improvement Fund; and

WHEREAS, the Finance and Management Department, Office of Construction Management desires to enter into a contract for the replacement of mechanical chillers and condensers at the City Hall and Central Safety Buildings; and

WHEREAS, formal bids were solicited by the Office of Construction Management and the City received two bids on April 2, 2020; and

WHEREAS, General Temperature Control was deemed the lowest, responsive, and responsible bidder; and

WHEREAS, it is necessary to authorize the expenditure of \$2,633,000.00 from the Construction Management Capital Improvement Fund; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Finance and Management, Office of Construction Management, in that it is immediately necessary to authorize the Director of Finance and Management to enter into a contract with General Temperature Control for the replacement of mechanical chillers and condensers at City Hall and the Central Safety Building so that these necessary upgrades can be implemented as soon as possible, thereby, preserving the public health, peace, property, safety and welfare; **now, therefore**
