BACKGROUND

The purpose of this ordinance is to amend section 1903.01 of the Columbus City Codes to allow for external criminal investigations of sworn personnel in the Divisions of Police and Fire.

On June 11, 2020, Mayor Andrew Ginther announced an executive order that would require the referral of certain use-of-force cases to the Ohio Bureau of Criminal Investigation (BCI) to conduct independent reviews and investigations of those cases. Included in this was the intent that the City enter into a memorandum of understanding (MOU) with BCI to outline the agreement for investigations.

To effectuate this executive order, it is necessary for Council to amend the Columbus City Codes, section 1903.01, pertaining to investigations and reports by police. The amendment will allow for the police chief to make referrals to BCI in order to conduct criminal investigations of the actions of sworn personnel in the Divisions of Police and Fire, under the following circumstances:

- The discharge of a firearm by sworn personnel that results in an individual's injury or death
- Any use of force that results in life-threatening injury or death
- Any life- threatening injury or death while in custody, or being taken in to custody or detained
- The use, or attempted use, by an employee of a stopping tactic, or a police-involved vehicular pursuit, which results in death or life-threatening injury

The amendment also allows for the chief of police to request mutual aid for an investigation from another law enforcement agency, should BCI decline an investigation.

Independent investigations are among the recommendations of the Columbus Community Safety Advisory Commission, and Columbus City Council is committed to taking this first step toward increasing Columbus residents' trust and

confidence in our Division of Police.

EMERGENCY DESIGNATION: Emergency action is requested in order to ensure that the Division of Police has the immediate ability to begin referring criminal investigations to BCI, according to the Mayor's executive order.

To amend section 1903.01 of the Columbus City Codes to allow for external criminal investigations of sworn personnel; to repeal existing section 1903.01, and to declare an emergency.

WHEREAS, on June 11, 2020, Mayor Andrew Ginther announced an executive order that would refer certain use-of-force cases to the Ohio Bureau of Criminal Investigation (BCI) to conduct independent reviews and investigations; and

WHEREAS, to effectuate this executive order, it is necessary for Council to amend the Columbus City Codes, section 1903.01, pertaining to investigations and reports by police; and

WHEREAS, the amendment will allow for the police chief to make referrals to BCI in order to conduct criminal investigations of the actions of sworn personnel in the Divisions of Police and Fire in certain cases involving life-threatening injury and death; and

WHEREAS, independent investigations are among the recommendations of the Columbus Community Safety Advisory Commission, and Columbus City Council is committed to taking this first step toward increasing Columbus residents' trust and confidence in our Division of Police; and

WHEREAS, an emergency exists in the usual daily operation of Columbus City Council, in that it is necessary to ensure that the Division of Police has the immediate ability to begin referring criminal investigations to BCI, according to the Mayor's executive order, for the immediate preservation of the public health, peace, property, safety, and welfare; **NOW, THEREFORE**,
