### Rezoning Application Z20-031

**APPLICANT:** The Emily Program; c/o Kate Norris; 1295 Bandana Boulevard West, Suites 310 and 210; St. Paul, MN 55108; and Jill Tangeman, Atty.; 52 East Gay Street; Columbus, OH 43215.

**PROPOSED USE:** In-patient medical treatment facility.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (5-0) on July 9, 2020.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The 1.84± acre site is developed with a medical office building zoned in the CPD, Commercial Planned Development District. The rezoning is necessary because the current CPD, Commercial Planned Development District (Z83-083) permits only C-2, Commercial District uses which do not allow in-patient medical facilities. The requested CPD, Commercial Planned Development District will allow an in-patient medical treatment facility, a C-4, Commercial District use, in conjunction with the medical office and out-patient treatment uses within the existing building. The request includes use restrictions and a commitment to a site plan, and incorporates a variance to reduce the existing parking setback. The site is within the boundaries of the *Far North Area Plan* (2014), which recommends office land uses at this location. The proposed use is generally consistent with this recommendation, and does not introduce an incompatible use to the surrounding area.

To rezone **8001 RAVINES EDGE CT. (43235)**, being 1.84± acres located on the northwest side of the terminus of Ravines Edge Court, **From:** CPD, Commercial Planned Development District, **To:** CPD, Commercial Planned Development District (Rezoning #Z20-031).

**WHEREAS**, application #Z20-031 is on file with the Department of Building and Zoning Services requesting rezoning of 1.84± acres from CPD, Commercial Planned Development District, to CPD, Commercial Planned Development District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District will permit an in-patient medical treatment use that is generally consistent with the office land use recommendation of the *Far North Area Plan*. The request does not introduce an incompatible use to the surrounding area; now, therefore:
