BACKGROUND: On April 4, 2020, Council approved Ordinance 0840-2020 to authorize the Director of Development to sell 8 land bank vacant parcels to a subsidiary of the Finance Fund. The parcels will be used as a part of the Warner Junction, a 56-unit affordable housing development under the FHAct 50 Building Opportunity Fund. One parcel was omitted from the original legislation. This legislation will authorize the sale of 149-151 Hayden Ave. (010-001564) as a part of the project.

FISCAL IMPACT: The City may first recover reimbursement of any and all expenses incurred on account of the acquisition, administration, management, maintenance and disposition of such land and such other expenses of the program as the City may apportion to such land from the sale proceeds.

EMERGENCY JUSTIFICATION: Emergency action is requested to enable the City to immediately enter into the necessary agreements allowing the buyer to convey the property in October to meet project deadlines.

WHEREAS, a proposal for the sale of the property which was acquired pursuant to Ohio Revised Code Section 5722.06 and 5722.03 meets the Land Reutilization Program's Disposition Policies and Guiding Principles and has been approved by the Land Redevelopment Office Administrator; and

WHEREAS, in order to complete the transfer of such property to the purchaser, authority is needed for the Director of the Department of Development to execute any and all necessary agreements and deeds of conveyance for the real property; and
