### Rezoning Application Z20-029

**APPLICANT:** SkilkenGold Development; c/o Connie Klema, Atty; PO Box 991; Pataskala, OH 43062.

**PROPOSED USE:** Fuel sales, convenience store, and eating and drinking establishment.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (5-0) on July 9, 2020.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The 2.66± acre site consists of two parcels, one developed with a vacant eating and drinking establishment, and one developed with a vehicle rental business, both zoned in the C-4, Commercial District. The requested CPD, Commercial Planned Development District would allow the site to be redeveloped with a fuel sales and convenience store with accessory on-site food and beverage service. The CPD text establishes use restrictions and supplemental development standards that address building and parking setbacks, traffic access, landscaping and screening, and building materials, and includes a commitment to a site plan and landscaping plan. Variances are included for the dumpster location and for a reduction in parking lot trees. The site is located within the boundaries of the Bethel Road Regional Commercial Overlay and is within the boundaries of *The Northwest Plan* (2016), which recommends "Mixed Use 1" land uses at this location. Although the Plan recommends buildings be parallel to and facing the street with an entrance door connected to the public sidewalk, the Planning Division recognizes that the environmental studies conducted at the site revealed evidence of contamination from a previous gas station in the southwest quadrant, presenting constraints on site design to limit exposure. The Planning Division acknowledges these constraints and supports the submitted plans which demonstrate adequate landscaping and fencing to further mitigate the impact of the site design. The proposal is consistent with the Plan's land use recommendation and is compatible with the zoning and development pattern of the surrounding area.

To rezone **1400 BETHEL RD. (43220)**, being 2.66± acres located at the northeast corner of Bethel Road and Godown Road, **From:** C-4, Commercial District, **To:** CPD, Commercial Planned Development District (Rezoning #Z20-029).

**WHEREAS**, application #Z20-029 is on file with the Department of Building and Zoning Services requesting rezoning of 2.66± acres from C-4, Commercial District, to CPD, Commercial Planned Development District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District will allow a fuel sales and convenience store development that is consistent with the recommendations of *The Northwest Plan* and compatible with the zoning and development pattern of the surrounding area; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

**3. DEVELOPMENT STANDARDS:** Unless otherwise indicated in this Text or on the submitted development plan (“CPD Site Plan”), the applicable development standards are contained in Chapter 3356 C-4 Commercial District and Chapter 3372 Regional Commercial Overlay (RCO) of the Columbus City Code.

**A. Height, Lot and/or Setback Requirements:**

Setbacks for parking along Bethel Road and Godown Rd shall be 10’. Setbacks for buildings shall be 20’ along Bethel Road and Godown Rd.

**B. Access, Loading, Parking and/or other Traffic related commitments:**

1. Access points are shown on the submitted site plan, which include curb cuts on Bethel Road and Godown Road. Secondary access points on Bethel Rd and Godown Rd are provided via easements with adjacent properties.
2. The improvements required by the City of Columbus Division of Traffic Management, further delineated below and based on the Traffic Impact Study dated May 14, 2020 prepared by Carpenter Marty Transportation and subject to change based on City of Columbus reviews/coordination. The Requirements are as follows:
  - a. At the intersection of Godown Road and Bracken House Boulevard, a southbound left turn lane with a length of 135 feet including a 60 feet diverging taper and a northbound left turn lane with a length of 110 feet including a 60 feet diverging taper shall be implemented. The westbound intersection approach shall be striped with a westbound left turn lane and a westbound right turn lane.
  - b. At the intersection of Bethel Road and Godown Road, the north leg shall be modified to reallocate the western northbound departure lane to be a second southbound left turn lane, and the south leg shall be modified to include a northbound left turn lane and northbound through/right lane with alignment as approved by the Department of Public Service.

**C. Buffering, Landscaping, Open Space and/or Screening commitments:** Buffering, landscaping, screening and open space shall be in accordance with 3372.807 of the RCO. In addition, the site will have augmented landscaping which will include additional mounding, fencing and landscaping on the northern and eastern portions of the property, as generally shown on the submitted landscaping plan.

**D. Building Design and/or Interior -Exterior treatment commitments:** Primary and accessory structures will be developed with uniform design and finishes and shall primarily be comprised of brick and stone building materials. Canopy columns and dumpster materials shall match those used on the primary building.

**E. Dumpsters, Lighting, Outdoor Display areas and/or other environmental commitments:**

A variance to section 3372.807(E) is being requested for the location of the dumpster. Per the site plan, the dumpster is located in the northwest corner of the property and has screening, landscaping and mounding to obscure it from view.

**F. Graphics and Signage commitments:** Graphics on the Site will comply with the Graphics Code, Article 15, Title 33 of the Columbus City Code as it applies to the C-4 Commercial District for C-4 uses, C-5, Commercial District for C-5 uses, and the Regional Commercial Overlay. Variances to the sign requirements shall be submitted to the Columbus Graphics Commission or master graphic plan for the Site may be submitted to the Columbus Graphics Commission for consideration.

**G. Additional CPD Requirements:**

1. Natural Environment: The natural environment of the Site is flat as is surrounding property in the Bethel Road corridor, which is developed for commercial use.

2. Existing Land Use: The Site is occupied by two structures, an existing car rental facility and a vacant former restaurant.
3. Circulation: Circulation on the Site shall be in accordance with the CPD Site Plan.
4. Visual Form of the Environment: The surrounding properties are developed with commercial and residential uses.
5. Visibility: The Site can be viewed from Bethel Road and Godown Road.
6. Proposed Development: Restaurant with outdoor seating and drive-in service, convenience store, retail fuel sales and accessory outdoor display sales.
7. Behavior Patterns: Commercial uses as developed on the surrounding properties. Existing development in the area has established behavior patterns for the motorists.
8. Emissions: No adverse effect from emissions shall result from the proposed development.

**H. Modification of Code Standards-Variance:**

1. A variance to section 3372.807(E) is being requested for the location of the dumpster. Per the site plan, the dumpster is located in the northwest corner of the property and has screening, landscaping and mounding to obscure it from view.
2. A variance to Section 3312.21 for the required five parking lot trees is being requested. The development is providing 3 parking lot trees compared to the required 5.

**I. Miscellaneous:**

1. A Site Plan showing lot lines, setbacks, and access is submitted for the development of the Site. The Site Plan may be adjusted to reflect engineering, topographical or other site data and changes developed at the time of development and engineering plans for all or a portion of the Site affected by said development. Any such adjustment may be reviewed and approved by the Director of the Department of Building and Zoning Services or his/her designee upon submission of the appropriate information regarding the adjustment.
2. Abandoned service stations, filling stations or fuel sales establishments will be addressed in accordance with 3357.18 of the Columbus City Code.

**SECTION 4.** That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
