Council Variance Application: CV20-058

APPLICANT: National Church Residences; c/o Matthew Bierlein, Attorney; 2335 North Bank Drive; Columbus, OH 43220.

PROPOSED USE: Multi-unit residential development.

MIDEAST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance #2845-2020; Z20-054) to the AR-O, Apartment Office District. The applicant proposes a senior living facility containing a maximum of 110 units within two apartment buildings on adjacent sites, with a 6-unit apartment building in Subarea A, and a 104-unit apartment building in Subarea B. Variances to reduce building lines, parking setback, and a parking space reduction from 9 spaces to 6 spaces in Subarea A and 150 spaces to 110 spaces in Subarea B are included in the request. The parking reduction variance is supportable because the nature of the development reflects parking numbers that account for residents that will not have private vehicles. Additionally, the proposed development incorporates high quality design elements with adequate site landscaping to lessen the impact on the surrounding lower density residential uses, provides open space, and protects natural features as there is a stream along the eastern portion of Subarea B.

To grant a Variance from the provisions of Sections 3312.27, Parking setback line; 3312.49(C), Minimum numbers of

parking spaces required; and 3333.18, Building lines, of the Columbus City Codes; for the property located at **2685 E. LIVINGSTON AVE. (43209)**, to permit reduced development standards for a multi-unit residential development in the AR-O, Apartment Office District (Council Variance #CV20-058).

WHEREAS, by application #CV20-058, the owner of property at **2685 E. LIVINGSTON AVE. (43209)**, is requesting a Council variance to permit reduced development standards for a multi-unit residential development in the AR-O, Apartment Residential District; and

WHEREAS, Section 3312.27, Parking setback line, requires the minimum parking setback line to be 25 feet along Brookwood Avenue, while the applicant proposes a parking setback line of 5 feet in Subarea B, as shown on the site plan; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 1.5 parking spaces per dwelling unit for a total of 9 parking spaces in Subarea A and 150 parking spaces in Subarea B, while the applicant proposes a total of 6 parking spaces in Subarea A and 110 spaces in Subarea B; and

WHEREAS, Section 3333.18, Building lines, requires a building line of 35 feet along East Livingston Avenue, while the applicant proposes a reduced building line of 15 feet along both frontages, in Subarea A and Subarea B, as shown on the site plan; and

WHEREAS, the Mideast Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval because the proposed variances allow a site design that incorporates high quality building design elements and adequate landscaping and buffering from adjacent lower density residential uses, provides open space, and protects natural features; and

WHEREAS, this ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed uses; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **2685 E. LIVINGSTON AVE. (43209)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance from the provisions of Sections 3312.27, Parking setback line; 3312.49(C), Minimum numbers of parking spaces required; and 3333.18, Building lines, of the Columbus City Codes, is hereby granted for the property located at **2685 E. LIVINGSTON AVE. (43209)**, insofar as said sections prohibit a reduced parking setback in Subarea B along Brookwood Avenue from 25 feet to 5 feet; with a parking space reduction from 9 required spaces to 6 provided spaces in Subarea A, and from 150 required spaces to 110 provided spaces in Subarea B; and a reduced building line from 35 feet to 15 feet along East Livingston Avenue in both Subarea A and Subarea B, said property being more particularly described as follows:
