Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Tyevco, Inc. for the Westgate Park Open Shelter Improvements Project. The Westgate Park Open Shelter and adjacent parking lot currently has limited lighting available. This project includes the installation of two new solar powered light fixtures in the parking lot. These improvements will provide increased safety and security in the parking lot and shelter during the evening and night time hours.

After reviewing the bids that were submitted, it was determined that Tyevco, Inc. was the lowest and most responsive bidder. Tyevco, Inc. and all proposed subcontractors have met code requirements with respect to prequalification, pursuant to relevant sections of Columbus City Code Chapter 329.
