Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with CESO, Inc. for the Turnberry Golf Course Improvements Design Project. The contract amount is \$72,400.00, with a contingency of \$34,500.00, for a total of \$106,900.00 being authorized by this ordinance.

The Turnberry Golf Course, bordering Blacklick Creek, is an Arthur Hills designed links style championship course. This course hosts many local youth tournaments, provides learning opportunities for all ages, and is open to the public. Revenues generated through greens fees, cart rentals, tournaments, rentals, and concession sales support the operation of the golf courses. Currently there are many areas throughout Turnberry Golf Course that hold water and need improved drainage, along with improvements to user circulation throughout the course. Improvements to the course will encourage increased use and revenue.
