Rezoning Application: Z19-038

APPLICANT: Jeanne Cabral; 2939 Bexley Park Road; Columbus, OH 43209.

PROPOSED USE: Limited commercial development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on April 8, 2021.

MIDEAST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The 1.87± acre site consists of single parcel zoned in both the C-2, Commercial, and R, Rural districts. The owner has been cited by Code Enforcement (order #19470-01296) for establishing an automobile sales use without obtaining a Certificate of Zoning Clearance. The requested L-C-4, Limited Commercial District will legitimize the automobile sales use and will allow a variety of general commercial uses. The site is not located within a planning area, but is subject to the recommendations of *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018). The limitation text contains use restrictions and includes setback, landscaping, screening, tree preservation, and graphics provisions. A site plan commitment is included in the limitation text which demonstrates removal of pavement within the required parking setback area with landscaping installed, and maintenance of the existing privacy fence on the southern portion of the site. The request is consistent with the established development pattern along Refugee Road, and includes landscaping along the site frontage and appropriate buffering from the residential development that abuts the site to the south, as recommended by C2P2 Design Guidelines.

To rezone **3553 REFUGEE RD. (43232)**, being 1.87± acres located on the south side of Refugee Road, 550± feet east of

Weyburn Road, **From:** R, Rural District and C-2, Commercial District, **To:** L-C-4, Limited Commercial District (Rezoning #Z19-038).

WHEREAS, application #Z19-038 is on file with the Department of Building and Zoning Services requesting rezoning of 1.87± acres from the R, Rural District and C-2, Commercial District, to the L-C-4, Limited Commercial District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the Mideast Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the proposed L-C-4, Limited Commercial District is compatible with the *Livingston East Area Plan*'s land use recommendations and C2P2 guiding principles which support mixed-use and high density residential infill development along the Livingston Avenue corridor; now, therefore:

APPLICATION NUMBER: Z19-038

1. INTRODUCTION:

The subject property ("Site") is located along Refugee Rd., west of Courtright Road and east of Schwartz Rd. The Site lies within the boundaries of the Mideast Area Commission.

A portion of the Site had been annexed to the City in 1974 with R zoning while the remainder of the Site is zoned C-2. The single family house remains and has been used as offices for used car sales for over twenty years. The site has been used for used car sales for approximately 20 years. Upon annexation, the portion of the Site was zoned R. This rezoning to LC-4 will legitimize the use of used car sales and to allow the much needed improvement to the existing building as well as the potential redevelopment of the property at a future date. The site is surrounded by a variety of properties zoned C-2, C-4, L-C-4, L-M, C-3, RRR, LI, ARLD and R, most of which are used as commercial uses. The sites directly to the east and to the west are zoned L-C-4 and car sales and other uses are allowed. The other sites to the east and the west are zoned C-4. This rezoning would be consistent with the other parcels on both sides of this parcel.

This text and the site plan are being submitted to visually depict the existing and proposed setbacks. The existing building shall be permitted to remain as developed; however, any future development or expansion shall conform to the standards set forth in the Columbus Zoning Code.
