Council Variance Application: CV21-054

APPLICANT: 1444 N. High, LLC; c/o Dave Perry, Agent; Dave Perry Company, Inc.; 411 East Town Street, First Floor; and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, Second Floor; Columbus, OH 43215.

PROPOSED USE: Mixed-use development.

UNIVERSITY AREA COMMISSION RECOMMENDATION: Approval.

UNIVERSITY IMPACT DISTRICT REVIEW BOARD RECOMMENDATION: Approval

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one parcel developed with two apartment buildings zoned in the AR-O, Apartment Office District. The site is subject to Ordinance #1658-2018 (CV17-084) which permitted a mixed use building consisting of 2,900 square feet of ground floor commercial use and five townhouse units along the frontage of North High Street on the same lot as the existing apartment buildings. The requested Council Variance will establish a new set of variances that will accommodate a lot split so that the new construction is on a separate lot (west parcel) from the existing apartment buildings (east parcel). The site is within the Regional Commercial subarea of the University District Zoning Overlay, the University Impact District, and is subject to review by the University Impact District Review Board (UIDRB). The site is within the planning area of the *University District Plan* (2015), which recommends "Regional Mixed Uses" at this location. The proposed development is designed

to integrate well with the surrounding High Street corridor. Staff supports this request as it is consistent with the Plan's land use recommendations and guidelines, and will not add incompatible uses to the corridor.

To grant a Variance from the provisions of Sections 3333.04, Permitted uses in AR-O apartment office district; 3312.49, Minimum numbers of parking spaces required; 3321.07(B), Landscaping; 3333.15(C), Basis of computing area; 3333.16, Fronting; 3333.24, Rear yard; and 3333.255, Perimeter yard, of the Columbus City Codes; for the property located at **1444 N. HIGH STREET (43201)**, to permit a mixed-use building containing 2,900 square feet of ground level commercial uses and five apartment units on a proposed lot, and a multi-unit residential development on an adjacent lot with reduced development standards in the AR-O, Apartment Office District, and to repeal Ordinance #1658-2018, passed July 9, 2018 (Council Variance # CV21-054).

WHEREAS, by application #CV21-054, the owner of the property at **1444 N. HIGH STREET (43201)**, is requesting a Variance to permit a mixed-use building containing 2,900 square feet of ground level commercial uses and five apartment units on a proposed lot (the west parcel), and a multi-unit residential development consisting of 45 dwelling units on an adjacent lot (the east parcel) with reduced development standards in the AR-O, Apartment Office District; and

WHEREAS, Sections 3333.04, Permitted uses in AR-O apartment office district, only permits office and other specified commercial uses, while the applicant proposes 2,900 square feet of ground floor retail, office, and/or restaurant commercial uses on the proposed west parcel; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 20 parking spaces for 2,900 square feet of restaurant space and 5 parking spaces for 5 apartment units with 2 bedrooms each on the west parcel, and 24 spaces for the existing 45 apartment units with 48 bedrooms for the east parcel, calculated with the formula contained in Section 3325.381, Parking and Circulation, of the University District Zoning Overlay, while the applicant proposes a total of 0 (zero) spaces; and

WHEREAS, Section 3321.07(B), Landscaping, requires one tree per ten residential units, a requirement of one tree for the five apartment units on the west parcel, and five trees for the forty-five apartments units on the east parcel, while the applicant proposes zero trees; and

WHEREAS, Section 3333.15(C), Basis of computing area, limits buildings from occupying more than 50 percent of the lot area, while the applicant proposes an increased maximum lot coverage of 75 percent and 90 percent for the east and west parcels, respectively; and

WHEREAS, Section 3333.16, Fronting, requires an apartment complex to have frontage on a public street, while the applicant proposes no frontage for the existing apartment buildings on the east parcel; and

WHEREAS, Section 3333.24, Rear yard, requires a rear yard totaling no less than 25 percent of the total lot area, while the applicant proposes a reduced rear yard of 5.5 percent for the west parcel; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 10 percent of the lot width, or 9.3 feet, while the applicant proposes a reduced perimeter yard of 2.5, 0, 2, and 0 feet for the north, east, south, and west perimeter yards, respectively, of the existing apartment buildings on the east parcel; and

WHEREAS, the University Area Commission recommends approval of said Council variance; and

WHEREAS, the University Impact District Review Board recommends approval of said Council variance; and

WHEREAS, City Departments recommend approval because the requested Council variance is consistent with the *University District Plan's* land use recommendations and guidelines, will not add incompatible uses to the corridor, and is designed to integrate well with the surrounding High Street corridor; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed uses; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1444 N. HIGH STREET (43201)**, in using said property as desired; now, therefore:
